**Women's Imprisonment** Pat Carlen, 2021-10-01 First published in 1983

Women's Imprisonment explores the meanings of women's imprisonment and in particular the wider meanings of the  
 moment of prison. Based on officially sponsored research in Cornton Vale Scotland's only women's prison, the book makes  
 extensive use of interviews with sheriffs, policemen and social workers as well as observation in the prisons, the courts and  
 the lodging houses. The author quotes from interviews with women, recidivist prisoners, the judges who send them to prison  
 and the agencies which assist them in between their periods of imprisonment. In doing so, questions are raised about the  
 meanings of imprisonment and the penal disciplining of women at the time of original publication. The book also examines the  
 changing and various meanings of imprisonment in general and the invisible nature of the social control of women in  
 particular. Journal of Education, 1906      Report of Proceedings of the ... Annual Session of the Georgia Bar Association
