Work Matters Lessons From Scripture:

Work Matters R. Paul Stevens, 2012-05-31 Marketplace theology expert R Paul Stevens revisits more than twenty biblical accounts from Genesis to Revelation exploring through them the theological meaning of every sort of work manual or intellectual domestic or commercial from publisher description Work Matters R. Paul Stevens, 2012 Working Blessedly Forever, Volume 1 R. Paul Stevens, 2024-02-20 Work whether from home in cyberspace or in a factory or office occupies a major chunk of our time energy and soul This book seeks to make sense of our work in the world through adapting the pithy statement of the Puritan William Perkins to define marketplace theology as the science of working blessedly forever It is a science involving investigation but not just with the head thought but also with heart prayer and hand practice But it is a science of working So the book investigates a theology of work undertaken in the light of God's blessing and purpose And our work is not just for this life but forever since some of it could last into the new heaven and new earth where guess what Scripture says we will work as fully human and resurrected beings Stevens gathers his lifetime of research and teaching into this book showing through biblical research and contemporary analysis the meaning of work and human enterprise It could change your lifestyle your work style and your soul **Workplace Discipleship 101** David Gill, 2021-10-05 Workplace Discipleship 101 contains encouragement and practical advice for Christians who are serious about living out their faith in their daily work lives This book is packed with simple practical suggestions organized in an intuitive format with straightforward language Answering questions such as How can I serve Jesus while I'm at work and What does it look like to follow Jesus in my field of work this book provides Christians with practical insight and biblical inspiration no matter where they work The book is split into three main sections Preparation how to get ready Presence what we do at work and Post Workplace beyond the workplace Key points and features Biblically and theologically based Presents information in an easy understandable way Discusses the importance of work and discipleship Offers insightful questions for application Fills a hole in the growing faith at work genre of literature Few people I know have thought more deeply and practically about the integration of the Christian faith in the workplace than David Gill In Workplace Discipleship 101 David Gill's keen intellect ethical clarity and encouraging heart frame a persuasive and practical guide for all apprentices of Jesus who long to embrace an integral faith This book is an invaluable resource I have been waiting for I highly recommend it Tom Nelson Lead Senior Pastor Christ Church Kansas City President Made to Flourish Author Work Matters Connecting Sunday Worship to Monday Work **Immanuel Labor—God's Presence in Our Profession** MSG Russell E. Gehrlein US Army Ret., 2018-02-28 Here is a fresh comprehensive Christian perspective on work This is a solid introduction to this critical subject It is especially geared toward those in need of God's guidance on finding the right career and how to integrate their faith with the job It is well grounded in scripture contains numerous inspirational quotes from other Christian leaders offers practical wisdom and includes many personal illustrations Topics consist of the value of everyday work thorns and thistles the eternal value of work

finding a job that fits how we are to work and implications for those in ministry It includes a helpful index of three hundred scripture references and questions for group discussion or personal reflection This book will expand your view of how God can use your unique abilities in the workplace and how his presence at work makes all the difference Journal of Biblical and Theological Studies, Issue 2.1 Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2017-03-29 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics **Worth Doing** W. David Buschart, Ryan Tafilowski, 2025-11-25 Reimagine Your Theology of Faith and Work Conversations about faith and work often miss an important truth limitations are not a problem they re a key part of what it means to be human Work has always been part of humanity s purpose but we re no longer in the perfect Garden of Eden nor are we in the future new heavens and new earth To truly address the challenges of work we need a new theological perspective In Worth Doing David Buschart and Ryan Tafilowski embrace the realities of limitations challenging the myths of You are what you do and Do what you love Instead they propose a theology of work that affirms the goodness of human limits while addressing the realities of fallenness offering hope for those who may not find deep fulfillment in their daily jobs Buschart and Tafilowski outline a new vision of work that resonates with all workers recognizing that every job has value even when it doesn t align with idealized notions of purpose or calling By embracing this perspective people can find new ways to approach daily labor even when it doesn t feel deeply fulfilling In Worth Doing readers will Gain a theology of work that moves beyond only ideas of productivity or calling Learn how to embrace human limitations as part of God s good design Reflect on the ways work connects to broader questions of purpose and human flourishing Worth Doing invites readers to consider their limitations as valuable aspects of their vocational journey offering a thoughtful framework for addressing the complexities of work This book is particularly relevant for theologians examining the intersections of work faith and rest Christian educators and leaders in the faith and work space By moving beyond conventional theological approaches to faith and work Worth Doing presents a hopeful and theologically rich perspective on vocation that acknowledges and embraces human limitations The Kingdom of God in Working Clothes R. Paul

Stevens,2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God s new world coming either exclusively for the present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news *Working Blessedly Forever, Volume 3* R. Paul
