

A man and a woman are standing in a field of tall, green grass. The man, on the left, is wearing a light-colored shirt and dark trousers, looking down at the woman. The woman, on the right, has long, light-colored hair and is wearing a dark, flowing dress, looking up at the man. The background is a soft-focus landscape of green fields and distant trees under a clear sky.

**Wicked Intent** Kenneth Oppel, 2012-08-21 Devotion turns deadly in this second Gothic thriller from Printz Honor winner Kenneth Oppel that is every bit as thrilling and engaging VOYA as This Dark Endeavor When does obsession become madness Tragedy has forced sixteen year old Victor Frankenstein to swear off alchemy forever He burns the Dark Library He vows he will never dabble in the dark sciences again just as he vows he will no longer covet Elizabeth his brother s betrothed If only these things were not so tempting When he and Elizabeth discover a portal into the spirit world they cannot resist Together with Victor s twin Konrad and their friend Henry the four venture into a place of infinite possibilities where power and passion reign But as they search for the knowledge to raise the dead they unknowingly unlock a darkness from which they may never return **This Dark Endeavor** Kenneth Oppel, 2011-08-23 When his twin brother falls ill in the family s chateau in the independent republic of Geneva in the eighteen century sixteen year old Victor Frankenstein embarks on a dangerous and uncertain quest to create the forbidden Elixir of Life described in an ancient text in the family s secret

Biblioteka Obscura **Homicide Law in Comparative Perspective** Jeremy Horder, 2007-12-10 A number of jurisdictions world wide have changed or are considering changing their homicide laws Important changes have now been recommended for England and Wales and these changes are an important focus in the book which brings together leading experts from jurisdictions across the globe England and Wales France Germany Scotland Australia The United States of America Canada Singapore and Malaysia to examine key aspects of the law of homicide Key areas examined include the structure of the law of homicide and the meaning of fault elements For example the definition of murder or its equivalent is very different in France and Germany from the definition used in England and Wales French law like the law in a number of American states ties the definition of murder to the presence or absence of premeditation unlike the law in England and Wales Unlike most other jurisdictions German law makes the killer s motive such as a sadistic sexual motive relevant to whether or not he or she committed the worst kind of homicide England and Wales is in a minority of English speaking jurisdictions in that it does not employ the concept of wicked recklessness or of extreme indifference as a fault element in homicide Understanding these

often subtle differences between the approaches of different jurisdictions to the definition of homicide is an essential aspect of the law reform process and of legal study and scholarship in the criminal law Every jurisdiction tries to learn from the experience of others and this book seeks to make a contribution to that process as well as providing a lively and informative resource for scholars and students    Massachusetts Reports Massachusetts.
