Summertime Coetzee:

Summertime J. M. Coetzee, 2020-12-01 Continuing Text's re-release of J. M. Coetzee's revered works with stylish new covers. *Summertime* is a modern classic by the great Nobel Prize winner, accompanied by an introduction from literary critic James Ley. **Summertime** J. M. Coetzee, 2010-10-26 Not since *Disgrace* has he written with such urgency and feeling. *The New Yorker* J. M. Coetzee's latest novel *The Schooldays of Jesus* is now available from Viking. *Late Essays* 2006 2016 will be available January 2018. Nobel Prize-winning author J. M. Coetzee's new book follows a young biographer as he works on a book about the late writer John Coetzee. The biographer embarks on a series of interviews with people who were important to Coetzee during the period when he was finding his feet as a writer in his thirties and sharing a run-down cottage in the suburbs of Cape Town with his widowed father. Their testimonies create an image of an awkward, reserved, and bookish young man who finds it difficult to connect with the people around him. An innovative and inspired work of fiction, incisive, elegant, and often surprisingly funny, *Summertime* allows one of the most revered writers of our time to imagine his own life with a critical and unsparing eye. *Summertime* J. M. Coetzee, 2009 A young English biographer is working on a book about the late writer John Coetzee. He plans to focus on the years from 1972-1977 when Coetzee, in his thirties, is sharing a run-down cottage in the suburbs of Cape Town with his widowed father. This, the biographer senses, is the period when he was finding his feet as a writer. Never having met Coetzee, he embarks on a series of interviews with people who were important to him.

Approaches to Teaching Coetzee's *Disgrace* and Other Works Laura Wright, Jane Poyner, Elleke Boehmer, 2014-01-01 The novels of the South African writer J. M. Coetzee won him global recognition and the Nobel Prize in Literature in 2003. His work offers substantial pedagogical richness and challenges. Coetzee treats such themes as race, aging, gender, animal rights, power, violence, colonial history, and accountability; the silent or silenced; other sympathy and forgiveness in an allusive and detached prose that avoids obvious answers or easy ethical reassurance. Part 1 of this volume, *Materials*, identifies secondary materials including multimedia and Internet resources that will help instructors guide their students through the contextual and formal complexities of Coetzee's fiction. In part 2, *Approaches*, essays discuss how to teach works that are sometimes suspicious of teachers and teaching. The essays aim to help instructors negotiate Coetzee's ironies and allegories in his treatment of human relationships in a changing South Africa and of the shifting connections between human beings and the biosphere. Reading Coetzee's *Women* Sue Kossew, Melinda Harvey, 2019-07-24 This is the first book to focus entirely on the under-researched but crucial topic of women in the work of J. M. Coetzee, generally regarded as one of the world's most significant living writers. The fourteen essays in this collection raise the central issue of how Coetzee's texts address the woman question. There is a focus on Coetzee's representation of women, engagement with women writers, and the ethics of what has been termed his ventriloquism of women's voices in his fiction and autobiographical writings right up to his most recent novel *The Schooldays of Jesus*. As such, this collection makes important links between the disciplines of

literary and gender studies It includes essays by well known Coetzee scholars as well as by emerging scholars from around the world providing fascinating and timely global insights into how his works are read from differing cultural and scholarly perspectives Contemporary Second- and Third-Person Autobiographical Writing Christina

Schönberger-Stepien, 2023-03-31 This book explores 21st century uses of the second and third person perspective in Anglophone autobiographical narratives by canonical male writers Through detailed readings of contemporary autobiographical works by Paul Auster Julian Barnes J M Coetzee and Salman Rushdie the study demonstrates the multiple aesthetic rhetorical and un ethical implications of the choice of narrative perspective as well as the uncommon step of articulating the self from a perspective which is not I Drawing on rhetorical narratology and autobiography theory the book engages with questions and tensions of subjectivity and relationality the interplay of distance and proximity resulting from the narrative perspective and its effects on the relationship between autobiographer text and reader In addition the book traces relevant guiding principles that the authors use to navigate their self narratives in relation to others such as questions of embodiment visibility grief ethics and politics Situating the narratives in their socio political and cultural context the book uncovers to what extent these autobiographical narratives reflect the authors position between self withdrawal and self promotion as well as their response to questions of male agency self stylisation and celebrity status **The Oxford History**

of Life-Writing Patrick Hayes, 2022 This volume is devoted to life writing in English from 1945 to the present day a period in which life writing became an increasingly popular and accessible form **Scenes from Provincial Life** J. M.
