*Fighting Visibility* Jennifer McClearen,2021-03-30 Ultimate Fighting Championship and the present and future of women's sports Mixed martial arts stars like Amanda Nunes Zhang Weili and Ronda Rousey have made female athletes top draws in

the Ultimate Fighting Championship UFC Jennifer McClearen charts how the promotion incorporates women into its far flung media ventures and investigates the complexities surrounding female inclusion On the one hand the undeniable popularity of cards headlined by women add much needed diversity to the sporting landscape On the other the UFC leverages an illusion of promoting difference whether gender racial ethnic or sexual to grow its empire with an inexpensive and expendable pool of female fighters McClearen illuminates how the UFC s half hearted efforts at representation generate profit and cultural cachet while covering up the fact it exploits women of color lesbians gender non conforming women and others Thought provoking and timely Fighting Visibility tells the story of how a sports entertainment phenomenon made difference a part of its brand and the ways women paid the price for success

**CTRL HATE DELETE** Cécile Simmons,2025-03-18

How did Johnny Depp and Amber Heard s divorce become the centre of the anti MeToo backlash Why have so many teen boys fallen under the thrall of Andrew Tate a failed reality show contestant And why are a growing number of influencers like tradwives dressing up like 1950s housewives and preaching total subservience to men In the years since MeToo the largest social media facilitated feminist campaign in history Roe v Wade has been overturned in the United States there have been attacks on reproductive rights in multiple countries and female political leaders have withdrawn from the world stage citing the level of abuse they get as a reason CTRL HATE DELETE takes a deep dive into how a collection of misogynists and their allies have turned male supremacist ideology from a niche set of beliefs into a mainstream movement With interviews from experts influencers and activists it outlines how to fight the rising tide of online misogyny and make online spaces more equal and inclusive

*The Business of Aspiration* Ana Andjelic,2020-10-26 The Business of Aspiration is about how consumers shifting status symbols affect business and brand strategy These changing status symbols like taste aesthetic innovation curation or environmentalism create the modern aspirational economy In the traditional economy consumers signaled their status through collecting commodities Instagram followers airline miles and busy back to back schedules By contrast in the aspirational economy consumers increasingly convey status through collecting knowledge taste micro communities and influence This new capital changes the way businesses and entire markets operate and yet the modern aspirational economy is still an under explored area in business and culture The Business of Aspiration changes that In this book marketers will find examples analyses and tools on how brands can successfully grow in the modern aspirational economy The Business of Aspiration answers questions like what is good for my brand long term how is this business decision going to impact our culture or what are the main objectives of our growth Marketers will learn to shift their brand narrative and competitive strategy to create and distribute new brand symbols and to ensure that their brand s products and services create both monetary and social value
