*Coupon Crazy* Mary Potter Kenyon, 2013-06-18 A fascinating history of this marketing tactic and why some shoppers take it to extremes from a longtime expert couponer. *Coupon Crazy* examines the phenomenon of avid coupon use and the socio-cultural and socioeconomic factors that construct it. By delving into the history of couponing, refuting the science of shopping and the dark underbelly of a coupon world, the average American doesn't even know about. Mary Potter Kenyon manages to both fascinate and educate. Readers will meet today's Coupon Queens and Kings and learn about an era when trash really was cash. Not just an observer of this ethnographic research, Mary lived it for over thirty years. My favorite aspect of the entire book was the candid tone Kenyon takes in sharing her story and others. As someone that both uses coupons and teaches couponing practices, I found the book triggering self-reflection at many points. Do I purchase products just because they are on sale? Do I devalue products I've gotten for free? Do I allow coupons to inform my purchases or the other way around? If you are a couponer, it's quite possible you'll find yourself reflecting on your own shopping habits as you read this book too.

**Stop Posting And Start Making Money: Content That Converts, Not Just Impresses** Sybex Books, 2025-06-24 More content doesn't mean more sales. *Stop Posting And Start Making Money* is your guide to building content that drives revenue, not just reactions. You don't need to show up every day to prove you're working. You need content that leads your audience to a clear decision: buy, book, or bounce. This isn't about chasing trends or playing the algorithm game. It's about positioning, messaging, and strategy that turns attention into action. Write to solve, not just to share. Speak to buyers, not just browsers. Post with the end in mind, not for the dopamine hit. This book gives you the content strategy that bridges curiosity and conversion. Fewer posts, bigger impact. No more dancing for attention that doesn't pay. No more spending hours on valuable posts that don't create momentum. Sell in public, serve in private. Let your content do the heavy lifting so you can focus on what actually grows the business. It's time to create less and earn more. Because content is only king if it brings in clients.
