Media Ethics Clifford G. Christians, Mark Fackler, Kathy Brittain Richardson, Peggy Kreshel, 2016-10-04 Media Ethics Cases and Moral Reasoning challenges readers to think analytically about ethical situations in mass communication through original case studies and commentaries about real life media experiences. This text provides a comprehensive introduction to the theoretical principles of ethical philosophies facilitating ethical awareness. It introduces the Potter Box with its four dimensions of moral analysis to provide a framework for exploring the steps in moral reasoning and analyzing the cases. Focusing on a wide spectrum of ethical issues faced by media practitioners the cases in this Tenth Edition include the most recent issues in journalism, broadcasting, advertising, public relations and entertainment. The only up to date book on football marketing written from a truly international perspective the Routledge Handbook of Football Marketing is an invaluable resource for any researcher or advanced student with an interest in football marketing as well as all marketers working in the professional football business.

Social Media and Society Regina Luttrell, Adrienne A. Wallace, 2021-04-07 Regina Luttrell and Adrienne A. Wallace present an engaging introduction of social media's integration with modern society. Recognizing categories of relational, societal and self while analyzing the social media environment this introductory mass communications textbook establishes a framework for understanding how technology, culture, democracy, economy and audience fragmentation interact with each media industry differently and relate to media literacy. Armed with this knowledge future professional communicators gain a better understanding of their audience and the level to which their strategies influence the public. Social Media and Society empowers students as consumers and creators of social media and illustrates that while the tools of communication have changed the goals of social connection and influence have not. Features of this unique text include the following: Relational, Societal, Self boxes provide a framework for analysis of media and society. In Theory boxes attaching theory to practice, Learning tools and enhanced pedagogy such as Learning Objectives, Chapter Wrap Up, Critical Thinking Questions, Media Sources and End of Chapter Activities, Comprehensive Glossary of key terms, Full color visuals capturing key trends and
