**Streaming Music, Streaming Capital** Eric Drott,2023-12-29 Eric Drott undertakes a wide ranging study of the political economy of music streaming to engage in a broader reconsideration of music's complex relation to capitalism *Creating the Reflective Habit* Michelle Lucas,2023-06-12 Reflection is a critical skill which can enhance the quality of our professional and domestic lives Yet in a world of busy reflective practice often falls to the bottom of the list We are not alone in the struggle to use the pause button well This book is here to help The book offers a practical toolkit which shows you how to create a sustainable reflective habit We begin by exploring the meaning and territory of reflection drawing from the literature to provide context and understanding The following chapters contain prompts and exercises which will appeal to different processing preferences The intention throughout this book is firstly to show that reflection means so much more than journaling and secondly to encourage an appetite for experimentation that results in a desire to reflect on a regular and sustainable basis We invite you into an immersive experience playing with the multitude of reflective possibilities on offer It is only through repeated trial and error enlightenment and frustration that we will come to create our own reflective habit Written by a coach and coach supervisor this practical book is an invaluable resource for helping practitioners but will also be immensely helpful to anyone and everyone who wants to get their pause button in good working order The book also provides Learning Development professionals with a suite of tools and materials to help build the reflective practice skill set in their organisation

**Devaluing Public Apologies in the Age of Social Media** Joshua M. Bentley,2024-12-15 In Devaluing Public Apologies in the Age of Social Media Joshua M Bentley argues that apologies are losing their meaning in American society as organizations and public figures treat them as strategical tools without considering their ethical implications As the demand for apologies in the age of social media continues to increase exponentially Bentley posits the apologies that are given carry less and less weight to the public This book examines how controversial figures like Donald Trump and Joe Rogan as well as brands like Google and Bud Light have addressed public controversies both effectively and ineffectively illustrating how social media polarization and cancel culture are changing the way apologies are given and received If apologies are to serve their historical role of resolving conflict peacefully Bentley argues they must be placed back into their proper ethical context This book offers insight on how individuals and organizations can ensure their apologies reflect their authentic values Scholars of communication ethics media studies political science and public relations will find it especially useful

**Product Management: Understanding Business Context and Focus** Asomi Ithia,2019-08-28 Product management starts here Before building and managing products in mid to large organisations product people need to understand the organisation's aims strategies and culture and what they mean for them

**Rethinking Free Speech** Peter Ives,2024-11-12T00:00:00Z Clashes over free speech rights and wrongs haunt public debates about the state of democracy freedom and the future While freedom of speech is recognized as foundational to

democratic society its meaning is persistently misunderstood and distorted Prominent commentators have built massive platforms around claims that their right to free speech is being undermined Critics of free speech correctly see these claims as a veil for misogyny white supremacy colonialism and transphobia concluding it is a political weapon to conserve entrenched power arrangements But is this all there is to say Rethinking Free Speech will change the way you think about the politics of speech and its relationship to the future of freedom and democracy in the age of social media Political theorist Peter Ives offers a new way of thinking about the essential and increasingly contentious debates around the politics of speech Drawing on political philosophy including the classic arguments of JS Mill and everyday examples Ives takes the reader on a journey through the hotspots of today s raging speech wars In its bold and careful insights on the combative politics of language Rethinking Free Speech provides a map for critically grasping these battles as they erupt in university classrooms debates around the meaning of antisemitism the cancelling of racist comedians and the proliferation of hate speech on social media This is an original and essential guide to the perils and possibilities of communication for democracy and justice Clashes over free speech rights and wrongs haunt public debates about the state of democracy freedom and the future While freedom of speech is recognized as foundational to democratic society its meaning is persistently misunderstood and distorted Prominent commentators have built massive platforms around claims that their right to free speech is being undermined Critics of free speech correctly see these claims as a veil for misogyny white supremacy colonialism and transphobia concluding that it is a political weapon to conserve entrenched power arrangements Rethinking Free Speech will change the way you think about the politics of speech in the age of social media Peter Ives offers a new way of thinking about the essential and increasingly contentious debates around the politics of speech Drawing on political philosophy and everyday examples Ives takes the reader on a journey through the hotspots of today s raging speech wars This book provides a map for critically grasping these battles as they erupt in university classrooms debates around the meaning of antisemitism the cancelling of racist comedians and the proliferation of hate speech on social media This is an original and essential guide to the perils and possibilities of communication for democracy and justice

### **Autobiography, Fan Fiction, and Education**

Nicola Robertson, Yueling Chen, 2025-10-02 This book illuminates the relationship between autobiography fan fiction and education via philosophical pedagogical and formative perspectives How might we consider autobiography and fan fiction writing to be educational How can we harness the potential of fan fiction writing for pedagogical use How does the practice of creating and consuming fan fiction autobiographical texts support the formation of identity This book brings together contributors from across the world to consider the answers to these questions and more with the resulting interpretations and perspectives offering something novel in the linking of these three concepts Separated into three distinct sections the chapters in this book look first at philosophical perspectives moving on to pedagogical approaches and finally the role of fan fiction and autobiography in the formation of individual and social identities The eclectic mix of arguments methods and

styles aims to provide insights to readers interested in life writing popular culture and media studies and those engaged in the multiple sub disciplines of education studies    **In Great Company: How to Spark Peak Performance By Creating an Emotionally Connected Workplace** Louis Carter,2019-02-15 Drive long term profits and growth by making the company a place your employees love In Great Company presents a practical approach to ensure that your employees perform at their highest possible levels It's not about increasing salaries offering huge bonuses or investing in the latest employee engagement tools The real answer is simpler deeper and longer lasting getting your people to love where they work Founder and CEO of one of today's top leadership development firms Best Practices Institute Louis Carter takes you step by step through the process of building a lasting emotional connection between your staff and your company Carter's proven strategy is founded on five key principles collaboration optimism values respect and performance Fuse them together and your company will be the envy of your industry This groundbreaking guide provides everything you need to create an environment where people have a strong sense of belonging a place where people finally feel like they're part of something big where employees want to work collaboratively and creatively where your staff and your company grow together Bridge the engagement gap by ensuring that every member of your team spends their entire work day in great company    **Media Career Guide** Sherri Hope Culver,Nichole Harken,2024-12-13 Practical student friendly and revised to address recent trends in the job market this guide includes a comprehensive directory of media jobs useful tips and career guidance for students who are considering a major in the media industries Media Career Guide is available as an e book and it is also included in Achieve for Media Culture    **The Build-a-Boyfriend Project** Mason Deaver,2025-08-05 Bestselling and award winning author Mason Deaver's adult romance debut follows a journalist in a dead end job who agrees to teach his disastrous blind date how to be a better boyfriend Readers will delight in this sweet and steamy queer romance with trans representation Eli Francis is stuck Stuck in an assistant position at the online magazine Vent when he should be a writer Stuck with a boss who dangles a promotion but would rather he just fetch the coffee Stuck working alongside the ex who has had no trouble moving up at work or moving on When Eli's roommates push him to date so he can get over his ex once and for all they set him up with Peter Park Tall handsome and unbelievably awkward The date is a complete disaster and further proof to Eli that love isn't for him But when his boss overhears Eli recounting the catastrophic night he suggests teaching Peter to be a better boyfriend through a series of simulated dates so he can write an article about it But Eli has other ideas Eli plays along pretending to write the article while secretly interviewing Peter about growing up queer in the South and coming of age dating wise in adulthood Eli hopes writing this sort of piece will finally get him the promotion he deserves And in exchange he will teach Peter how to be a better boyfriend But the more time Eli spends with Peter the closer they become and the lines between what's real and what's fake begin to blur Before long Eli is forced to face his greatest fears to become the writer he wants to be and secure the love he's always needed    **Love Stories** Trent Dalton,2021-11-01 WINNER INDIE

**Strategies and systematic implementation of innovation management for sustainable business success** Dennis Maurer,2016-08-16 Seminar paper from the year 2016 in the subject Business economics Business Management Corporate Governance grade 1 0 EBC University D sseldorf language English abstract Forming new businesses entering new markets and increasing organizational effectiveness occurs through the innovation and transformation processes Corporations must be able to adapt and evolve if they wish to survive The ability to innovate is a source of sustainable competitive advantage However how is it possible for a company to breed innovation into the very bones of an organization so that it becomes an ongoing managed phenomenon Is innovative thinking independent of external circumstances Or is there any method to its creativity And what would an innovation model look like The importance of innovation in regards to a businesses value is without a doubt the most meaningful and perhaps most essential aspect of a company Innovation pays dividends for shareholders it drives growth and differentiation motivates employees opens new markets and captures customers attention all while using much lower advertising budgets One company that has clearly done something right in the past is Google This company is a symbol for integrative IT infrastructures and restructuring business architecture through experimentation improvisation analytical decision making participative product development and other noteworthy modes of innovation It uses an evaluation of ideas with an admittedly chaotic ideation process and a set of accurate data driven methods Google s culture fascinates even the brightest technical expertise It has developed or acquired an array of new offerings to augment the core search product Its expansion profitability and shareholder equity are at unmatched levels It has been the designer or a leading exponent of new paths to business and management innovation These are the main reasons why Google is a great allegory of innovation and a profound example of a successful integrated innovation management approach The purpose of this essay based on Adapa Srinivasa Rao s case study Corporate Entrepreneurship and Innovation at Google Inc is to build a bridge between the company s methods and the theoretical framework that abstractly enables and drives innovation in the corporate environment

**The Basic Practice of Statistics** David S. Moore,William I. Notz,Michael A. Fligner,2015-01-09 David Moore s data analysis conceptual approach which revolutionized the introductory statistics textbook moves students away from formulas and number crunching focusing instead on how working statisticians in a variety of fields collect and analyze data and use the results to tackle real world problems The clear direct way of emphasizing the course s relevance and confronting students math anxieties is at the heart of the bestselling The Basic

Practice of Statistics BPS It is also the ideal approach for taking full advantage of the powerful statistical tools and interactive learning features in this new edition s text media package Now more than ever BPS is ready to help students move from reading about statistical practice to practicing statistics themselves **Someday Jennifer** Risto

Pakarinen,2019-08-06 What if the only way forward is to go back Peter is stuck The promise of his youth has petered out into a comfortable but lonely adulthood his career is flat his friendships exist only on Facebook and his romantic life is well past its expiry date But one night spurred on by a viewing of Back to the Future after one too many drinks he has an idea that he will just go back Back to the moment when his path stretched out ahead of him when happiness was an everyday feeling and not something to be chased Back to when his worst problem was which pair of acid washed jeans to wear to when the perfect girl sat next to him in English class Back to 1986 Fired up by his new mission Peter packs up his life turns off his cellphone and moves back into his teenage bedroom He lets his hair grow long stuffs himself into those same acid washed jeans and resolutely ignores everything about the world that didn t exist in the mid eighties Throwing himself into the project of restoring his small town s old movie theatre he hides his true objective from everyone to get a second chance with the first and only true love of his life that perfect girl beside him in English class Jennifer But time travel is never without its complications especially when everyone else around you remains in the present When even his perfect 1986 starts to show its cracks Peter is finally forced to answer the question can you ever truly go back
