Financial Planning Basics for Doctors Marshall Weintraub, Michael Merrill, Cole Kimball, 2019-01-25 Financial Planning Basics for Doctors is a comprehensive guide on building a long term financial plan for doctors and their families. Subjects covered include student loans, home buying, disability insurance, estate planning, college planning, retirement planning, investments, and behavioral finance among many others. Each chapter starts with the basics before addressing more advanced concepts frequently with examples and graphs and concludes with a concise summary of the key takeaways. Throughout the book, there are links to free downloadable spreadsheets and a planning checklist to help you jump start and organize your financial plan. The content provided is a result of the feedback the authors have received over thousands of meetings with doctors condensed into a thorough overview of the most relevant ideas. Teaching hospitals do an excellent job of training our next generation of doctors, yet most new physicians graduate without having had a class on managing their finances. This book was written to fill that knowledge gap. Marshall Weintraub, Michael Merrill, and Cole Kimball are financial advisors with Finity Group LLC, a financial planning firm specializing in working with doctors. **Office of Education**

Practice Peter H. Cole, Daisy Reese, 2017-06-27 Written by two therapists with extensive business experience, *Mastering the Financial Dimension of Your Psychotherapy Practice* addresses the clinical and financial challenges of establishing and maintaining a successful private practice. This book contains updated content on investing strategies, changes in the insurance marketplace, and trends in the marketing of a psychotherapy practice. The first of five sections explores the life cycle of the modern therapy practice, offering best business and investing practices for each phase. In the second and third sections, the authors consider the emotional dimension in the development of a private practice. The fourth section offers a basic course in financial planning, including an investigation into five common financial mistakes therapists make and various solutions to each situation. The fifth section is designed to offer a road map of actions to take in establishing a financial plan. Concluding the book is an inspirational discussion of how the therapist in private practice can create a career with meaning, fulfillment, personal satisfaction, and solid financial rewards. **U.S. News & World Report**, 2008. **Congressional**
