cooking feeling like it's a punishment or eating the same plain boring meals over and over again. If so, you've come to the right place. Meal planning is one of the biggest bane's mothers and other busy people have to deal with on a regular basis, but you can be the first person to TRUTHFULLY say that meal planning is easy. And getting there is easier than you think. All you need is an expert-approved guide to take you from seeing cooking or meal prepping as a costly punishment to a hobby and a fulfilling fun activity that always sparks and amps your creative energy. For this reason, I give you *Meal Planning for Beginners*, the only guide you'll need to stop looking at the clock after 5 pm, worriedly stop trying to get used to the hassle, start over, and have a great effortless meal planning and cooking experience. Henceforth, I know you may be wondering: What kind of recipes should I be thinking about? How do I prepare my meals if I'm on a tight budget? Are there smart shopping techniques to simplify this? What if I don't know how to cook? What is the best approach to plan my meals so that I have a steady supply of delicious meals every single day of the week? What mistakes should I watch out for that may make my meal planning process a mess? If you have these and other related questions, this book is for you, so keep reading as it contains all the details you need to become an expert meal planner and cook. Here's a more precise list of topics you'll find in the book: The basics of meal planning including what it entails and the best approach to meal prepping to ensure you have a steady supply of whole healthy meals every day of the week. The benefits of meal planning and the problems it solves. How to write out recipes that you will be making and organize them nicely in a system that works for you. How to use your recipes to plan your weekly meals. How to make a list of groceries based on your recipes. How to leverage the power of a family meal board to write family meal plans that you can refer to any day. Delicious whole healthy recipes that you can use to meal plan to streamline your life. And so much more. So if you are tired of having to prepare something from scratch every single day, you are about to discover how to turn things around through meal planning to ensure you no longer waste time in the kitchen even after a busy day from work. Even if you've never meal planned before, this book will show you the ins and outs that will get the expert meal planner out of you for the sake of your sanity.
