Strategic Business Management in Crisis Times Geetanjali Varrier,2025-01-03 Strategic Business Management in Crisis Times explores the vital role of strategic management in navigating unstable and unpredictable environments such as a pandemic. This book addresses the complexities and importance of applying strategic management effectively during volatile situations, providing a comprehensive guide from basic principles to detailed applications. We delve into the history of strategic management during pandemics, examining its impact on businesses and livelihoods. The book highlights how poor strategic management can undermine authority and offers insights on leveraging effective strategies even amid crises. Through global case studies and live discussions with entrepreneurs, readers gain a thorough understanding of strategic management practices in challenging times. The book also covers new strategies developed during the COVID 19 pandemic and revisits historical strategies for managing businesses and livelihoods. It combines conceptual knowledge with practical tips, suggestions, and actionable points, making it a valuable resource for comprehending and applying strategic management in crises.

Issues in Global Business SAGE Publishing,2021-03-03 In 2020 COVID 19 starkly demonstrated the global interconnectedness of business as it disrupted supply chains and manufacturing operations broadly shuttered retail stores and led to restrictions on movement and travel around the world. Other events in 2019 also showcased the undeniable globalization of business be it from the un expected ramifications of Brexit to the impacts of data breaches across various industries. Riots in Hong Kong over an extradition bill also sparked huge debate and controversy and the U S China trade war also caused concern. All of these events may have largely and immediately impacted one region yet effects reverberate across larger swathes of the globe ultimately affecting vast areas industries and sectors across the international landscape. Issues in Global Business explores all of these and more across a wide range of topics including the on demand economy, global manufacturing, Bitcoin, data security and many more. Coupled with a comprehensive overview of the business landscape around the world by Dr Mamoun Benmamoun an assistant professor at the Boeing Institute of International Business at Saint Louis University this book provides students with the essential information they need to assess business practices through an international lens.
