Hero Ever After Kait Nolan, 2025-08-22 I never meant to be anyone's heroine Not when I became the acting mayor of my hometown after the flood Not when I kept my law practice afloat out of a booth in my grandmother's diner And definitely not when my secret romantasy novels went viral Nobody in Gibson Hollow knows I'm the author behind the pen name And nobody was supposed to kiss me at that book convention least of all my brother's best friend cosplaying the hero he doesn't know I modeled after him Now Ramsey Shaw is back in town Volunteering Smiling at me like I'm not on the verge of shattering Like he remembers the kiss Like he sees the truth I've spent my whole life being strong Quiet In control But for the first time I don't want to be any of those things I just want to be his In a town held together by hope and heart it's the people who show up that make it shine

Through Shadows and Light - Webs of Lies and Love Alaa Zaher, 2025-03-20 Sometimes life unfolds in ways we least expect and coincidences those seemingly trivial moments lead us down roads we never planned to travel Yet with every path chosen or fate encountered consequences arise These consequences are often shaped by the fierce battle between two powerful forces within us the mind and the heart The mind with its sharp logic and unyielding grip on rationality seeks control over every decision every thought and every aspect of our being It claims dominance asserting that it knows what is best what is safe and what will ultimately protect us But does it truly What happens when this firm grip on control extends beyond reason silencing the quiet profound whispers of the heart What kind of existence does that lead to when the mind imposes its absolute rule over the language of emotions instincts and love Love after all is a language with endless dialects each unique intricate and profound It is a language spoken fluently only by the heart that tender yet resilient part of us that dares to feel deeply to dream boldly and to connect with others in ways the mind cannot comprehend The heart has an innate ability to translate and understand these emotions crafting stories of connection and meaning that transcend the barriers of logic Meanwhile the mind remains an outsider to this realm a stranger attempting to decipher a script it cannot read But what happens when the mind driven by its unrelenting need for control tries to speak the language of the heart What happens when it dictates the terms of love reshaping its essence through the cold lens of reason Will it

preserve the beauty of love or will it lose its essence altogether This story centers around a brilliant determined lawyer a woman whose intellect and ambition are unmatched whose sharp mind has been her guiding star in a world that demands strength and resilience Her dedication to her craft has earned her a reputation as one of the best in her field When she takes on a new high stakes case it seems like just another professional challenge to conquer Yet as she delves deeper into the complexities of her case she finds herself confronting something far more personal and profound a battle between her mind and her heart
