Finding Ruth Ilka Knuppel,William Prunka,2024-09-20 Ruth Rosa M hlmann was 20 years old when she was killed at Bernburg Euthanasia Center on March 31 1941 one of over 300 000 people with disabilities murdered by the Nazis The Nazi cover up of her death in their secret euthanasia program Aktion T4 was so effective that it was not until 2018 that the truth was discovered Ilka Knuppel has carefully researched the history of her great aunt Ruth and her family in Germany Finding Ruth is the first victim memoir in English This is important since the memory of the Nazi euthanasia is still obscure and largely forgotten outside the German speaking world A key contribution vicarious witnesses make beyond recovering the stories of individual victims is that they also bring the larger historical context to life Ilka skillfully combines documentary elements with those of historiography biography and family memoir connecting the story of multiple generations of an individual family to larger scale world historical events But Finding Ruth is also a deeply personal and moving tribute This book is a communal effort many of her relatives and friends along with archivists and researchers in Germany and the US contributed to the making of this book A staggering amount of research was conducted amassing hundreds of pages of documents and other materials pertaining to Ruth s life and death Along with Will Prunka Ilka traveled to Germany to visit archives and sites important to Ruth s story As a vicarious witness Ilka connects the past and the present and converts the silence surrounding Ruth and Aktion T4 into something tangible and present This enables a belated process of mourning and recognition Finding Ruth makes it clear why it is so important to remember this history The reasons for the great silence

surrounding Aktion T4 haven't gone away there is still a stigma attached to disability and mental illness and eugenicist ideas continue to linger in our societies Follow the journey that crisscrosses the years and continents delves into dusty documents and pieces together bits and pieces of clues from various oral histories to unearth the true story of Tante Ruth The Holocaust Jack Fischel,1998-03-25 Provides a history of the Holocaust during World War II focusing on the destruction of European Jews and discusses the historical importance of the Holocaust from a contemporary perspective includes a chronology of events biographies of major figures and a selection of primary documents *The German Euthanasia Program* Frederic Wertham,1978 People v. Tent,2003 James Tent recounts how these men and women from all over Germany and from all walks of life struggled to survive in an increasingly hostile society even as their Jewish relatives were disappearing into the East It draws on extensive interviews with twenty survivors many of whom were teenagers when Hitler came to power to show how half Jews coped with conditions on a day to day basis and how the legacy of the hatred they suffered still lingers in their minds *The Holocaust* ,1996 Articles identify and describe individuals and events connected with the persecution of Jews and others across Europe in the 1930s and 1940s **The German Euthanasia Program** ,1966 Criminal Law Series ,1996 Petitions and briefs filed with the U S Supreme Court
