she waits for sleep to come while battling chronic insomnia As a former nighttime nurse Shannon knows that the hardest time of the waiting season is at night when our thoughts take over and worry invades Drawing from her own experiences and from the examples of God's people in the Bible who also experienced seasons of waiting Shannon encourages the reader to hold on to the One Who created us and has only our good in mind While waiting in the dark cling to the Light **Why It Matters- Finding Hope in Moments of Frustration**" Joshua Rhoades, 2024-11-25 Welcome to a journey of hope and healing in the face of life's most challenging moments Why It Matters Finding Hope in Moments of Frustration speaks directly to those who have felt the relentless waves of life's struggles those who know the pain of pouring themselves into something only to watch it unravel It's for the hearts that have cried out Why God while staring down paths that feel endless and unyielding If you've ever questioned whether your pain has a purpose or if your struggle is seen this book was written with you in mind In the raw and unfiltered spaces of discouragement and doubt this book offers a light It's a guide for navigating the heavy moments when hope seems like a distant whisper amid life's storms Through Scripture Why It Matters invites you to uncover the sacredness in your struggles and the deeper meaning within your frustration This isn't just a story about enduring hardship it's a roadmap to discovering God's hand in your most vulnerable seasons This book explores how God uses our frustrations to refine us build resilience and draw us closer to Him Through the lives of biblical figures you'll see that you're not alone in feeling stuck or overwhelmed Each chapter reveals how God doesn't waste our pain but instead weaves it into a tapestry of redemption growth and grace Every tear every moment of waiting and every prayer uttered in desperation becomes a building block for something greater You'll be reminded that even when progress feels slow or nonexistent God is at work He is present in every moment writing a story of hope and restoration Each trial you face isn't just a hurdle to overcome it's an opportunity for transformation and deeper faith This book isn't merely a collection of words it's an invitation It's a call to journey through the places where faith is tested and hope feels faint Together we'll find that God's purposes are present in every frustration and we'll see the beauty of His plan even when it's hidden in the shadows of life's hardest days So if you're ready to rediscover the hope that lies beyond frustration to lean into the truth that God is working even in the mess and to embrace the possibility that your struggles are shaping something meaningful let's begin There's hope waiting on the other side of your pain Let's find it together
