Happy Accidents Jane Lynch, 2011-09-13 In the summer of 1974 a fourteen year old girl in Dolton Illinois had a dream A dream to become an actress like her idols Ron Howard and Vicki Lawrence But it was a long way from the South Side of Chicago to Hollywood and it didn't help that she'd recently dropped out of the school play The Ugly Duckling Or that the Hollywood casting directors she wrote to replied that professional training was a requirement But the funny thing is it all came true Through a series of happy accidents Jane Lynch created an improbable and hilarious path to success In those early years despite her dreams she was also consumed with anxiety feeling out of place in both her body and her family To deal with her worries about her sexuality she escaped in positive ways such as joining a high school chorus not unlike the one in Glee but also found destructive outlets She started drinking almost every night her freshman year of high school and developed a mean and judgmental streak that turned her into a real life Sue Sylvester Then at thirty one she started to get her life together She was finally able to embrace her sexuality come out to her parents and quit drinking for good Soon after a Frosted Flakes commercial and a chance meeting in a coffee shop led to a role in the Christopher Guest movie Best in Show which helped her get cast in The 40 Year Old Virgin Similar coincidences and chance meetings led to roles in movies starring Will Ferrell Paul Rudd and even Meryl Streep in 2009's Julie Julia Then of course came the two lucky accidents that truly changed her life Getting lost in a hotel led to an introduction to her future wife Lara Then a series she'd signed up for abruptly got canceled making it possible for her to take the role of Sue Sylvester in Glee which made her a megastar Today Jane Lynch has finally found the contentment she thought she'd never have Part comic memoir and part inspirational narrative this is a book equally for the rabid Glee fan and for anyone who needs a new perspective on life love and success

Our Life, Our Work, Our Humanness Vincent Dodd, 2024-10-16 We are more divided than ever in too many aspects of life and we too often feel various levels of emptiness while pushing to keep up or protect ourselves from all that is coming at us Our Life Our Work Our Humanness

explores our relationships with ourselves and others and how our stressors and society's negative influences affect and slowly tear us down. What helps is empowering yourself with more and easier options so the bad effects you less and can even become a powerful lesson to greater peace. Bad will periodically happen to all of us. However, finding more goodness between the bad and how we handle most of it can become easier. We and our lives are built of emotions, relationships, concerns, expectations, harsh realities, and painfully even politics. Vincent is trusting us to open up about his thirty-four years of front-line public service in both emergency nursing and law enforcement. He then trusts us further to look at our shared difficulties and tragedies as humans, his personal life, mistakes, lessons, observations, and what made it all easier. He validates our issues and pains, then quickly moves to solution-based concepts and functional tools to tame our life stressors. The author writes, "I am periodically asked, 'With the amount of tragedy and death you have seen, how do you still laugh and love life?' So sometimes the same question is worded differently by ending in 'how can you always be so happy?' My answer to the first question is that life is hard yet an amazing and unfortunately short, powerful journey. So yes, I do find the good, the lessons, and the laughter as often as I can. My answer to the second question is the same, but it starts with 'I am not always happy.' We are human, and that is a messy condition. Sometimes bad is just bad. Yet seeing and working with the bad from new perspectives can make often help it be much less bad. This book is for those who want less conflict and desire a more meaningful and peaceful life filled with greater joy, exploration, and ease."

Authored by Chris Howe, this book offers encouragement and motivation to anyone who has been affected by addiction, whether firsthand or through a loved one. Each poignant narrative delves deep into the traumatic circumstances that led the individual into addiction and the diverse network of people, experiences, support systems, and techniques that enabled them to clamber back up onto solid ground and reclaim their lives. Covering everything from substance abuse to behaviour compulsions, this book goes beyond mere narratives to underscore the transformative power of human connection and redemption. It serves as a beacon of hope, illustrating that recovery is within reach for everyone, no matter how tight addiction's grasp.
