Ellis presents the social and political history of this famous district as it evolved from 1900 through the beginning of the twenty first century. From the immigrants of the 1910s to the preservationists of the 1930s to the nightclub workers and owners of the 1950s and the urban revivalists of the 1990s *Madame Vieux Carré* examines the many different people who have called the Quarter home who have defined its character and who have fought to keep it from being overwhelmed by tourism's neon and kitsch. The old French village took on different roles bastion of the French Creoles Italian immigrant slum honky tonk enclave literary incubator working class community and tourist playground. The Quarter has been a place of refuge for various groups before they became mainstream Americans.
