## **Waiting To Die Longing To Love:**

**Waiting to Die Longing to Love** Russell K. Lanier, 2015-11-30 I got out of jail in north Alabama It's my fifth Driving Under the Influence charge My jail time is too short just two days The fine is too low just 750 The judge is lenient and my lawyer is skilled He works out a plea deal so a conviction will never appear on my driving record This misadventure is merely the latest experience in a life not worth living I am only one of 23 million people in the United States burdened with the deadly disease of addiction That's roughly thirteen percent of the population I won't live long if I keep using and I'm not sure I want to live even if I stop I've seen others kick their habits but at age forty nine I am overweight and unemployed a hopeless case I am waiting to die but longing to live and love The story you are about to read tells how I finally got clean and sober from both drugs and alcohol As you read each chapter you will discover several things that may help you understand the mind of a drug addict It's about healing and how I came to understand that the thing I needed to be saved from most is me So come along with me now as I hold your hand and take you with me on my road to recovery You will see addiction's true personality as I turn the spotlight on this monster Hold on tight because it's going to be one hell of a roller coaster ride

**The River's Destiny** Barney McMillan, 2009-12     *Desire and Mental Health in Christianity and the Arts* David Torevell, 2023-08-21 This book considers the connection between the world of mental health in the twenty first century and the traditional concept of desire in Christianity and the Arts It draws parallels between the desire for rest from anxiety among mental health sufferers with the longing for peace and happiness in Religion and the Arts The author presents Biblical philosophical and theological insights alongside artistic ones arguing that desire for rest remains at the heart of spiritual living as well as mental health recovery The chapters draw from historical and contemporary voices including Plato Augustine of Hippo Julian of Norwich Gerard Manley Hopkins Simone Weil Samuel Beckett Tennessee Williams Jean Louis Chrétien Eric Varden and others The study demonstrates why longing continues to fascinate and grip individuals creative endeavour and society at large not least in the development of the understanding of mental health It is valuable for scholars and advanced students of Christian theology and those interested in spirituality and the arts in particular     **Book of the Beloved** Mairi Colme, 2008-03-27 A Christian mystical text containing the revelation made to a young girl in a Benedictine monastery in the mountains of Austria in 1974 It is a revelation of the extraordinary quality of the love of God communicated not through light and joy but through a dark and powerful suffering which she identified as the mystery of Christ's cross The original manuscript was faithfully written down as a direct record of this experience It takes the form of a dialogue or interaction between God as the Lover of the soul and Maria as His Beloved A major theme is the struggle of the Beloved to overcome the Yes buts of human nature in order to be able to say a perfect Yes to her Maker Each dialogue moves through suffering and miscomprehension towards final happiness and liberation prefiguring the change from death to resurrection The manuscript remained a puzzle to its writer for eighteen years at which point she gained an insight into the moment of

self yielding which transforms the suffering into bliss It was then whilst staying in an Austrian farmhouse on a mountain side that she wrote the poetry which re interprets the text as a hymn to the Star Love of ecstatic intensity Over thirty years after the original event realising the experience may also have meaning for others the writer worked on the manuscripts During a period of deep reflection at her home in Scotland she then wrote the commentaries She hopes that this book a lifetimes endeavour may prove enlightening to others as to the nature of Gods love     **St. Louis Illustrated Magazine** ,1887
