## **Walk In Hell The Great War Book :**

**Walk in Hell (The Great War, Book Two)** Harry Turtledove, 2006-07-25 Harry Turtledove is probably the best known practitioner of alternate history working today American Heritage The year is 1915 and the world is convulsing Though the Confederacy has defeated its northern enemy twice this time the United States has allied with the Kaiser In the South the freed slaves fueled by Marxist rhetoric and the bitterness of a racist nation take up the weapons of the Red rebellion Despite these advantages the United States remains pinned between Canada and the Confederate States of America so the bloody conflict continues and grows Both presidents Theodore Roosevelt of the Union and staunch Confederate Woodrow Wilson are stubbornly determined to lead their nations to victory at any cost *Blood and Iron (American Empire, Book One)* Harry Turtledove, 2006-07-25 Blood and Iron is a masterpiece Sci Fi Weekly World War I The Great War has ended and an uneasy peace reigns around the world Nowhere is it more fragile than on the continent of North America where bitter enemies share a single landmass and two long bloody borders In the North proud Canadian nationalists try to resist the colonial power of the United States In the South the once mighty Confederate States have been pounded into poverty and merciless inflation The time is right for madmen demagogues and terrorists With Socialists rising to power in the U S and a dangerous fanatic in the Confederacy preaching a doctrine of hate more than enough people are eager to return the world to war A master storyteller as well as a trained historian with an imagination Turtledove has succeeded in taking title as the premier writer in alternate history relentlessly asking what if one or two key events in our reality happened differently The result is fascinating Houston Chronicle Turtledove is a master at weaving details of ordinary life into a much bigger canvas to produce a world that so easily could have been our own It is what keeps readers coming back for more Tulsa World *The Great War* Harry Turtledove, 2000 Meanwhile the new and poisonous weapons of tanks gas and planes are starting to make their presence felt at the front It s total war for the first time in human history and ordinary people on both sides are the one to begin to suffer BOOK JACKET **Krispos Rising (The Tale of Krispos, Book One)** Harry Turtledove, 2008-12-30 Videssos was beset by enemies abroad and had fallen into decadence at home But on his first night in the imperial capital The Empire s health mattered less to Krispos than finding a dry place to sleep Driven by crushing taxes from the farm where his family had lived and died Krispos had come to the city seeking what fortune a good mind and a strong back could earn He had a single goldpiece to his name the gift years past of a nomad chieftain to a ragged peasant boy Now though the night was raw and the inn was warm he was loath to spend that coin for the barbarian had claimed it carried magic Keep his lucky goldpiece or trade it for a warm dry bed Krispos tucked the coin away and stepped back into the wet streets all unaware that so simple a choice would lead to a world of peril and possibility *The Victorious Opposition (American Empire, Book Three)* Harry Turtledove, 2004-04-27 A colossal and brilliant saga This novel may be the strongest and most compelling since the opener How Few Remain Publishers Weekly starred review Seventy years have passed since the first War Between the States Jake

Featherston leader of the ruling Freedom Party has won power in the South and is taking his country and the world to the edge of an abyss Charismatic and shrewd he is whipping the Confederate States into a frenzy of hatred Blacks are being rounded up and sent to prison camps and the persecution has just begun As the North stumbles through a succession of leaders Featherston is feeling his might With the U S A locked in a bitter bloody occupation of Canada facing an intractable rebellion in Utah and fatigued from a war in the Pacific against Japan Featherston may pursue one dangerous proposition above all that he can defeat the U S A in an all out war Praise for The Victorious Opposition Turtle dove s Great War American Empire series is an epic achievement a meticulously worked out alternate history of the twentieth century s great two act tragedy Bravo A fine performance by a master craftsman S M Stirling author of Island in the Sea of Time Anyone who loves history will love what Harry Turtle dove can do with it Larry Bond New York Times bestselling author of Red Phoenix

*Upsetting the Balance (Worldwar, Book Three)* Harry Turtle dove,2002-01-08 Russia Communist China Japan Nazi Germany the United States they began World War II as mortal enemies But suddenly their only hope for survival never mind victory was to unite to stop a mighty foe one whose frightening technology appeared invincible Far worse beings than the Nazis were loose From Warsaw to Moscow to China s enemy occupied Forbidden City the nations of the world had been forced into an uneasy alliance since humanity began its struggle against overwhelming odds In Germany where the banshee wail of hostile jets screamed across the land caches of once forbidden weapons were unearthed and unthinkable tactics were employed against the enemy Brilliantly innovative military strategists confronted challenges unprecedented in the history of warfare Even as lack of fuel forced people back to horse and carriage physicists worked feverishly to create the first nuclear bombs with horrifying results City after city joined the atomic pyre as the planet erupted in fiery ruins Yet the crisis continued on land sea and in the air as humanity writhed in global combat The tactics of daredevil guerrillas everywhere became increasingly ingenious against a superior foe whose desperate retaliation would grow ever more fearsome No one had ever put the United States or the world in such deadly danger But if the carnage and annihilation ever stopped would there be any pieces to pick up *Return Engagement (Settling Accounts, Book One)* Harry Turtle dove,2005-06-28 Harry Turtle dove handles his huge cast with admirable skill The insights into racial politics elevate this novel to a status above mere entertainment although it provides that aplenty Publishers Weekly It s 1941 and an alliance of peace holds in check the most powerful nations of the world but it is an uneasy peace Japan dominates the Pacific the Russian tsar rules Alaska and England under Winston Churchill chafes for a return to its former glory Behind this facade of world order America is a bomb waiting to explode Jake Featherston the megalomaniacal leader of the Confederate States of America is just the man to light the fuse Opposite him is Al Smith a Socialist U S president in the Philadelphia White House Smith is a living symbol of hope for a nation that has been through the hell of war and depression Featherston and his Freedom Party are determined to conquer their Northern neighbor at any cost After crushing a Negro rebellion in his own nation Featherston sends

Confederate army planes to attack Philadelphia In the aftermath of the CSA blitzkrieg the war machine spins a vortex of destruction betrayal and fury that no one not even Jake Featherston himself can control Turtledove plays heady games with actual history scattering object lessons and bitter ironies along the way Return Engagement features strong complex characters against a sweeping alt historical background Kirkus Reviews Another absorbing installment of Turtledove's character centered alternate history saga Booklist

**Down to Earth (Colonization, Book Two)** Harry Turtledove, 2002-01-08 In 1942 Hitler led the world's most savage military machine Stalin ruled Russia while America was just beginning to show its strength in World War II Then in Harry Turtledove's brilliantly imagined Worldwar saga an alien invasion changed everything alliances technology commerce and most of all the nature of life and death Nuclear destruction engulfed some of Earth's great cities and the invaders claimed half the planet before an uneasy peace could be achieved Colonization takes us into the tumultuous 1960s as the reptilian Race ponders its uneasy future on the planet it calls Tosev 3 The United States has prospered since the war and has sent a manned spaceship deep into space On the other side of the globe the German Reich remains bloodied but unbowed brandishing a frightening new weapon and always poised for war China strains under alien occupation and from Poland to Jerusalem Jews must choose between aiding the Race or the Reich Now the invaders have been joined by their colonization fleet millions of newcomers who seek to incorporate our world into their far flung empire A violent black market erupts around ginger the one substance that deprives the alien colonists of their ability to reason and a new war threatens one even deadlier than the last The clamoring bellicose tribes of Earth form new alliances and play dangerous games of diplomacy but the ultimate power broker will be the Race itself For the colonists have one option no human can ignore With a vast ancient empire already in place the Race has the power to annihilate every living being on Tosev 3 In Colonization Down to Earth Harry Turtledove continues the breathtaking tale that has established him as one of alternate history's leading practitioners Populated by a cast that includes the famous from Khomeni to Himmler and the unknown drug smugglers soldiers and lovers this novel continues the excitement of Colonization Second Contact and weaves a spectacular tale of tyranny and freedom destruction and hope *Civil War Book Review*, 1999
