a series of travel diaries In short Andersen was a well informed listener and as this book reveals his reflections on the music of his age serve as valuable sources for the study of music reception in the nineteenth century Over the course of his life Andersen embraced and then later rejected performers such as Maria Malibran Franz Liszt and Ole Bull and his interest in opera and instrumental music underwent a series of dramatic transformations In his final years Andersen promoted figures as disparate as Wagner and Mendelssohn while strongly objecting to Brahms Although such changes in taste might be interpreted as indiscriminate by modern day readers this study shows that such shifts in opinion were not contradictory but rather quite logical given the social and cultural climate of the age *Dream Chasers* Becky Melby,Cathy Wienke,2009 April wants to make her sister s dreams come true April Douglas is determined to fulfill her sister s dream list the things Caitlyn would have done if she hadn t died so young Things like climbing a water tower and chasing a tornado April faces each challenge with feigned bravery to honor her sister and interest the small radio audience that s listening in on her adventures But the man April blames for Caitlyn s death TV weatherman and storm chaser Seth Bachelor appears at inopportune times forcing April to confront strong fears and misconceptions Seth can t figure out why April resists him so When he learns of her devotion to the dream list he offers to help April check them off and overcome her fears only to be faced with his own shortcomings at every turn Just when April thinks Seth can be trusted she learns he may not be the man she thought he was What will it cost them or gain them to chase God s dreams together
