**The Corruption of Interest** Ron Gallo, 2023-10-10 This book I consider one of my best and most intense. The false truth about what's going on in our society and the world has gotten so ridiculous that I felt I had to write this to advise believers and non-believers the truth as Jesus states in the word in John 14:6. I have to be Biblically correct; this is God's world, not Washington's. I start off with Interest which God meant for good but man has corrupted it. Did you know that you can learn from a spider how to be closer to God and live a more fulfilled Christian life of discipleship? Did you know you can learn from the child and the dog about yourself? There are many other gems of wisdom that you will love and learn from. In my other books you can find on Amazon you would get a great blessing as well. There are the three volumes on Balance, The Spider and the Saint. When I look up and the children's book Charlie the Spider and friends I wrote them differently than other books out there. There are jokes, stories, quotes to keep you entertained. Be Blessed, my friend, enjoy my books but your relationship with God is even greater than that's first Priority. Thank you for reading this text and enjoy my friend. See you on the way up. BNA's *Americans with Disabilities Act Manual*, 2010

**The Spider and the Saint** Ron Gallo, 2021-11-21 When was the last time you or your friend looked at a spider or an ant and learned principles that you can apply to your Christian life? Or even read it in another Christian book?

Here Ron as a former park ranger shares his experience of what God has shown him over the years when exploring nature Did you know when you see an object like a cigarette butt piece of paper or twig on a web the spider is telling God s saint s aspects on Christian living from Proverbs chap 30 Just constructing the web its perseverance stewardship and adjustability will tell God s saints how to live the Christian life Like in Ron s other books Balance Volume 2 and the children s book Charlie the Spider and Friends God uses the most unlikely to unveil his principles of walking with him as his saints Other gems Ron shares for Christian life s principles is about the garden the seed learning from darkness God s vitamins and many other fantastic wisdom and understanding emeralds in short bullet points Whether in quotes jokes or commentaries Ron does not sugarcoat anything so that the reader can get the truth about God This is a must book for the sinner the saint and society
