Hana's (Hana can continue new model. How then, there's a female character).

"It's a very sweet manga with realistic characters—no dead parents or crazy teachers, just ordinary loving families and supportive friends. This manga is...worth every page!"

—Ragel Adams, *MTV.com*

"Wandering Son is particularly accurate in its details, but universal in its emotions. Gay or not, we all are shouldn't feel it so difficult to identify with kids who feel like their bodies and their hearts are equally visible in the worst kind of betrayal, preventing them from realizing the potential they see in themselves."
