Collaborating to Manage Robert Agranoff, 2012-08-06 *Collaborating to Manage* captures the basic ideas and approaches to public management in an era where government must partner with external organizations as well as other agencies to work together to solve difficult public problems. In this primer Robert Agranoff examines current and emergent approaches and techniques in intergovernmental grants and regulation management, purchase of service contracting, networking, public nonprofit partnerships, and other lateral arrangements in the context of the changing public agency. As he steers the reader through various ways of coping with such organizational richness, Agranoff offers a deeper look at public management in an era of shared public program responsibility within governance. Geared toward professionals working with the new bureaucracy and for students who will pursue careers in the public or non-profit sectors, *Collaborating to Manage* is a student-friendly book that contains many examples of real-world practices, lessons from successful cases, and summaries of key principles for collaborative public management.

The Jan & Dean Record Mark A. Moore, 2016-03-03 Jan Dean were among the most successful artists of the late 1950s through the mid 1960s with hits including *Baby Talk*, *Surf City*, *Dead Man's Curve*, and *The Little Old Lady From Pasadena*. Slapstick humor and offbeat personas were a big part of their shtick, but Jan Berry was serious when it came to the studio. This book chronicles Jan's career as a songwriter and arranger and his tenure as producer for Jan Dean and other acts, with day-by-day entries detailing recording sessions, single and album releases, concerts, and appearances, film and television projects, behind-the-scenes business and legal matters, chart positions, and more. Extensive commentary from Berry's family, friends, and colleagues is included. Studio invoices, contract details, tape box notes, copyright information, and other particulars shed light on how music was made in the Hollywood studio system of the 1960s.
