**The Journal of the International Copyright Infringement Investigation** John C. Compton,2022-08-15 Many authors publishers songwriters and producers of films are now being deprived and systematically robbed of their royalties and copyright licence fees by unscrupulous internet organizations who have circumnavigated the existing international copyright laws by technically manipulating the internet protocols of their transmission and distribution servers This journal shows the extent of how one well known and respected international corporate company has created their own network of affiliated E book organizations It has permitted their affiliated domain website owners to gain access to their secretive digitized library so that they can transmit and distribute to their subscribing members full copies of my copyright work without my expressed permission The results of our copyright infringement investigation are shown within this journal together with examples of their blunt disregard or respect of my copyrights and human rights

**Sanctuary in the Clouds and Other Stories** Brian Crane,2024-09-09 SANCTUARY IN THE CLOUDS and other stories is a collection of three novella length stories each dealing with a different time and setting The Long Weekend is the fourth story in the series that follows Ronnie Littlewood a retired clubland comedian now employed by a prestigious Entertainment Agency as a troubleshooter liaison between the various venues in the industrial area of Central England The Seventh Key is not so much an Who Done It more of a We Know Who Done It We Just Have To Prove It And so two concerned individuals take up the challenge to do just that Sanctuary In The Clouds is the story of an impressionable young couple in the psychedelic 60 s who have their somewhat idyllic world shattered by a series of strange events which ultimately leaves them with a responsibility that changes their lives forever

*Kindle Fire Geekery: 50 Insanely Cool Projects for Your Amazon Tablet* Guy Hart-Davis,2012-07-16 Unleash the hidden capabilities of Amazons wildly popular Android based tablet **Betrayal of the Trinity Knot** Brian Crane,2018-05-04 Set in 1938 and very much in the spirit of John Buchan and Arthur Conan Doyle Betrayal of the Trinity Knot is a story that not

only gives a unique insight into the threats of conspiracy and subterfuge by foreign agents in the final year before the outbreak of the Second World War it is also a story of the naivety and blindness of a nation not willing to accept that the unthinkable could happen again And intertwined within this trail of intrigue is the inner scrutiny by the unlikely hero of his doubts and uncertainties about the determined path he had been drawn into following So what began as a relaxing break from his business in Bristol England merely to visit his friend the local vicar of a peaceful parish on Exmoor ended up for our hero being warned in no uncertain terms that his story must never be told that it is not in the national interest Irrevocably linked within these events is the betrayal of the sacred meaning behind a mysterious ancient Celtic symbol But now after more than seventy years the previously undisclosed truth about this small piece of hidden history has been unearthed in a manuscript concealed away in an old wooden chest Even so it is more than certain that the official records will still be gathering dust in some secret government vault
