I found that none of the blog posts books or reports I read had much outside of a few hacks or one specific thing. This frustrated me so I started to piece every piece of information I could find on Instagram together. After that blog post passed 6 000 words I decided to finish it as a book so I can have all this information in one location that is easy for people to keep on hand. So follow along in this Instagram Guide and learn the basics and more. The following are some of the topics covered within the InstaGuide: How to create an Instagram account. How to use analytics Business Tools within Instagram. What do I post to Instagram. What are hashtags and how do I use them. What should I post in my Instagram captions. What is a GeoTag. How often should I post on Instagram. Should I repost other peoples posts on Instagram. What can I do with an Instagram video. What do I do after I post to Instagram. What is Instagram Stories.
