The Stolen Childhood: How AI Is Deleting a Generation's Ability to Think, Feel, and Connect Alexander Darius, 2025-10-30 You were told it was progress The smart toy that promised to teach your toddler letters The educational app that could occupy them while you cooked dinner The chatbot that helped your teen with their homework You were sold a dream of easier parenting and smarter kids You were sold a lie While you were trying to do what's best for your family a silent and unregulated experiment was being run on your child In *The Stolen Childhood* investigative journalist Alexander Darius uncovers the unspoken truth that Silicon Valley doesn't want you to know the same AI systems marketed as helpful tools are functioning as sophisticated neurological traps systematically dismantling a generation's mental health critical thinking and capacity for human connection This is not another book about too much screen time This is an expos on a hidden epidemic of developmental sabotage revealing how Friendly AI chatbots have become suicide coaches for lonely teens leading to tragic preventable deaths The school issued laptop your child brings home is likely a 24/7 surveillance device assigning them a secret risk score you'll never see The toys in your own living room are spying on your child harvesting their

voice and emotions to build a psychological profile that can be sold AI nudify apps are fueling a schoolyard sexual abuse crisis with teen boys creating deepfake images of their female classmates and your daughter's school photos are all they need. You may feel you've sold your child out to the convenience of technology but you couldn't have known the game was rigged. Drawing on leaked internal documents, gut-wrenching stories from parents on the front lines and startling new brain science, this book provides what no other has: a battle-tested chapter-by-chapter action plan to fight back. You're about to discover the one conversation you must have with your son about financial sextortion, the specific apps to delete from your daughter's phone tonight and the legal rights you have that can force these companies to change. The parent rebellion has begun. The choice is yours: will you stay on the sidelines afraid of what you might discover or will you join the fight to reclaim your child's future before it's too late? This is the one book you can't afford to miss.

ChatGPT Atlas Browser Guide 2025 Konstantin Titov, 2025-10-22. ChatGPT Atlas Browser Guide 2025: How to Use OpenAI's AI Browser Agent Mode and Browser Memories on macOS. Setup Privacy Controls and Productivity Workflows. Be first, move fast: ChatGPT Atlas is OpenAI's new chat-first web browser, and this is one of the first hands-on guides written for real users who want results, not hype. Whether you're a student, creator, analyst, or team lead, this book shows you exactly how

to install Atlas on macOS set it up in minutes and turn everyday browsing into automated private high leverage workflows. Atlas brings ChatGPT to any page adds optional browser memories and introduces Agent Mode so it can take actions for you with guardrails you control. What you'll learn step by step: Install, set up on macOS, sign in, import passwords, bookmarks, history and tune the new tab Ask ChatGPT experience for speed. Search less, finish more, use on page chat for instant summaries, clean citations, comparisons and follow up questions without copy/paste context juggling. Stay in control master Incognito, the address bar page visibility toggle and data controls so Atlas only sees what you allow. Learn how memories are optional, visible, archivable and deletable. Agent Mode safely lets ChatGPT click around for you, researching, planning and completing routine tasks while respecting built-in limits (e.g., it can't run code or install extensions) and your approvals. Power workflows, research briefs, competitor scans, shopping carts, study aids and executive summaries you can trust. For families, teams, understand parental controls and Business Enterprise basics so you can enable features responsibly. Who this book is for: Students, researchers who want faster reading, better notes and self tests as they learn. Professionals who live in the browser and need reliable automation for docs, data and decisions. Creators, marketers who need quick comparisons, curated sources and production-ready summaries. Team admins, parents who care about privacy, transparency and safe defaults. Why this guide: why now? Atlas changes the center of gravity from URLs and tabs to conversation and action. It's chat-powered browsing with privacy controls and optional memories plus Agent Mode when you want hands-off execution. All shipping now on macOS with Windows, iOS and Android experiences coming next. We distill the launch details and best practices into a practical, zero-fluff playbook you can use on day one. Up-to-date launch window coverage. Written around the current release macOS availability, Agent Mode preview for Plus, Pro, Business and the latest data controls, parental controls so you're learning features that exist today, not someday. If you're ready to browse less and accomplish more, ChatGPT Atlas Browser Guide 2025 is your fast start to the web's chat-first future.

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Chatgpt This Week Open Now books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Chatgpt This Week Open Now books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Chatgpt This Week Open Now books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
