E-Learning Elvis Pontes, Adilson Guelfi, Sergio Kofuji, 2012-03-14 E learning enables students to pace their studies according to their needs making learning accessible to 1 people who do not have enough free time for studying they can program their lessons according to their available schedule 2 those far from a school geographical issues or the ones unable to attend classes due to some physical or medical restriction Therefore cultural geographical and physical obstructions can be removed making it possible for students to select their path and time for the learning course Students are then allowed to choose the main objectives they are suitable to fulfill This book regards E learning challenges opening a way to understand and discuss questions related to long distance and lifelong learning E learning for people with special needs and lastly presenting case study about the relationship between the quality of interaction and the quality of learning achieved in experiences of E learning formation

Leaving Johnny Behind Anthony Pedriana, 2010-10-16 In the tradition of Why Johnny Can't Read written by Rudolph Flesch in the 1950s Leaving Johnny Behind provides a comprehensive examination of the barriers that deny children adequate literacy training This book describes the obstacles faced by a school principal from Milwaukee's central city when he attempted to implement research based reading practices Upon further examination he discovered that the reading establishment generally rejects the product of legitimate science choosing instead to engage in a never ending interfusion of the latest innovations modifications and gimmicks This condition Anthony Pedriana observes has a disparate impact on poor and minorities those who suffer from dyslexia and other forms of reading disability and those for whom English is a second language But unlike Flesch who stressed the differences between phonics and holistic practices Pedriana seeks common ground among reading practitioners He notes that there is plenty in the data for both sides to love and that failing to take advantage of that convergence is to mock our high minded expressions of children first
