When the weather disagrees with your fitness plan, walk inside. Every step you take each day counts no matter where you do it!

Repeat your word with every inhalation and exhalation to help you stay focused on what you want to achieve.

Watch yourself in a mirror when you work out so you can see your form. Even though it may feel goofy at first, smile at yourself.

A quick whole body stretch: Stand up, root your feet into the ground and reach your arms to the sky, stretching as high as you can. Then totally relax. Repeat.
