Netflix Today Customer Service:

High-Tech, High-Touch Customer Service Micah Solomon, 2012-05-26 Today's customers are a hard bunch to crack. Time-strapped, screen-addicted, value-savvy and socially engaged, their expectations are tougher than ever for a business to keep up with. They are empowered like never before and expect businesses to respect that sense of empowerment, lashing out at those that don't. Take heart: Old-fashioned customer service, fully retooled for today's blistering pace and digitally connected reality, is what you need to build the kind of loyal customer base that allows you to survive and thrive. And *High Tech High Touch Customer Service* spells out surefire strategies for success in a clear, entertaining and practical way. Discover six major customer trends and what they mean for your business. Eight unbreakable rules for social media customer service. How to effectively address online complainers and saboteurs on Yelp, Twitter, TripAdvisor and other forums for user-generated content. The rising power of self-service and how to design it properly. How to build a company culture that breeds stellar customer service. *High Tech High Touch Customer Service* reveals inside secrets of wildly successful customer service initiatives from Internet startups to venerable brands and shows how companies of every stripe can turn casual customers into fervent supporters who will spread the word far and wide online and off. **Handbook of Media Branding** Gabriele Siegart, Kati Förster, Sylvia M. Chan-Olmsted, Mart Ots, 2015-08-07 This comprehensive handbook critically addresses current issues and achievements in the field of media branding. By discussing media branding from different viewpoints, disciplines and research traditions, this book offers fresh perspectives and identifies areas of interest for further research. The authors highlight the peculiarities of this field and reveal links and commonalities with other areas of study within communication science. The chapters address different research areas such as society, content management, audience as well as advertising aspects of media brands. This handbook thus brings together contributions from different areas, making it a valuable resource for researchers and experts from industry interested in media branding. **InfoWorld**, 2005-12-05 InfoWorld is targeted to Senior IT professionals. De Gruyter Handbook of Media Technology and Innovation Richard A. Gershon, 2025-01-27 The De Gruyter Handbook of Media Technology and Innovation brings together scholars from around the world to provide key insights on emerging technology trends and issues related to the fields of media management information technology product design planning and digital lifestyle This handbook is about the power of good ideas It's about those business enterprises government planners educators and entrepreneurs that have harnessed the power of good ideas to become real difference makers in the world we live in Keeping pace with fast paced technology change requires ongoing assessment and reassessment of the media management and technology fields to address important questions and emerging issues A major premise of this book is that given the complex and ever changing state of media technology we have a responsibility and obligation to engage in a broader interdisciplinary dialogue whose purpose is to understand the current and future state of media technology and innovation as well as to appreciate the social impact that such technologies have on business education and the general public Forecasting the future as any weatherperson or stock broker can tell you is a risky business But in this book we use the phrase the creative next step as a way to talk about the future and what we can expect in terms of the opportunities and challenges going forward

Management John R.

Schermerhorn, Jr, 2010-10-18 Completely updated and revised this eleventh edition arms managers with the business tools they'll need to succeed. The book presents managerial concepts and theory related to the fundamentals of planning, leading, organizing, and controlling with a strong emphasis on application. It offers new information on the changing nature of communication through technology. Focus is also placed on ethics to reflect the importance of this topic especially with the current economic situation. This includes all new ethics boxes throughout the chapters. An updated discussion on the numerous legal law changes over the last few years is included as well. Managers will be able to think critically and make sound decisions using this book because the concepts are backed by many applications, exercises, and cases. **E-commerce**

Strategic Analysis of Netflix in India. Possible Strategies and Recommendations Gabriel Socha, 2020-09-28 Case

Study from the year 2020 in the subject Economics International Economic Relations grade 1 3 New York University Leonard N Stern School of business language English abstract The paper focuses on strategic issues of the management of Netflix in India pointing to the following key question How can the company adapt its business model to gain a foothold in the Indian market Should the company conduct acquisitions to deal with the situations Or should Netflix exit India and shift focus to other global markets instead Netflix a leading American online media streaming and production company expanded successfully across the globe in the 2010s However in India a very important market for Netflix due to its large population and strong demand for video streaming Netflix seems to be struggling Dominant competitors and specific customer requirements have made growth difficult for the firm In this case both Netflix and the Indian video streaming market are analyzed with several strategic options are compared The team of authors recommends purchasing local studios and production houses so that Netflix can continue to pursue its verticalization strategy and meet local consumer demands We also suggest Netflix adapt its price to appeal to more users as Indian users are generally more price sensitive While it might dilute Netflix premium brand we believe such risk can be mitigated by adopting a more bare bones lower cost subscription targeting the large number of Indian consumers who use their smartphones to access the internet [Variety Deal Memo](#),2003 The global newsletter of theatrical and post theatrical rights and markets [Aie, E-Commerce Marketing](#) Jim Burrow,Brad Alan Kleindl,2004-03 Annotated Instructor s Edition includes lesson plans and scheduling suggestions
