

Ultimate Sleep Hacks

Put your phone down 2 hrs before bed. You'll thank us tomorrow, we promise.

Bust out the aromatherapy. And breathe in and out the zen vibes.

Use a weighted blanket. It's like getting tucked in with a giant hug.

Sleeping masks are equal parts fashionable and functional.

Try a white noise machine or sleep meditation to knock out in an instant.

Turn the TV off. That next episode will be just as good in the morning.

Get in the nighttime flow with some restorative yoga.

Save the intense workouts for earlier in the day. That adrenaline rush won't help you sleep.

eliminate your daily stress and negative feelings. What is sleep? The most common answer and belief is that it's just a time during which our body and mind stop working. In reality, what actually happens is nothing like that. Sleep is an extremely important and active period during which many vital processes take place. Getting good sleep is vital for your well-being and health. Without proper sleep, your body won't be able to regulate its hormones or rest your muscles and your cortisol levels will skyrocket along with your stress. You might not know this, but about half of the global population suffers from 70 different sleep disorders with more or less serious repercussions to their everyday life. Among a list of many, we can find sadness, stress, and drowsiness during the day, lack of energy, or constant tiredness. When you are not sleeping well, your body and mind are not functioning properly, and this can affect your day quite a bit. The effects can vary, maybe you might not be able to carry out simple tasks like getting along with others or more complex ones like working on a project with an imminent deadline. By sleeping, you restore your body and mind, regaining that mental and physical strength necessary to face the following day. The purpose of this book, after months of research, is to give you the most up-to-date and relevant sleep hacks discovered all around the globe to help you live a happier and better life. Here's the benefits that you will gain from reading this book: Greatly improved sleep quality while teaching your body how to sleep for the right amount of time. The elimination of all feelings of drowsiness, lack of concentration during the day. Reduced levels of Daily Stress and Anxiety. More energy than you ever dreamed of. Improved relationships along with your emotional and social intelligence. Healthy brain functions and mental health. Better physical health and better control of your body. A boost in your daytime performance, productivity, and efficiency. The ultimate 30 sleep secrets to effectively turn your life around. The ultimate sleep easy guide is full of practical teachings that will have an immediate and positive impact on your life. Instead of just telling you what you should do, we provide you the best science-based practical fact that can create lasting and real changes in your life if applied to your routine on a regular basis.
