EBOOK: Principles and Practice of Marketing JOBBER, DAVID/E,2016-03-16 EBOOK Principles

and Practice of Marketing Book Wars John B. Thompson, 2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time. From the surge of ebooks to the self publishing explosion and the growing popularity of audiobooks Book Wars provides a comprehensive and fine grained account of technological disruption in one of our most important and successful creative industries. Like other sectors publishing has been thrown into disarray by the digital revolution. The foundation on which this industry had been based for 500 years the packaging and sale of words and images in the form of printed books was called into question by a technological revolution that enabled symbolic content to be stored manipulated and transmitted quickly and cheaply. Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs. The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw the world in very different ways. The book wars had begun. While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences lie elsewhere. The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms. Most important of all it has transformed the broader information and communication environment creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age. This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future **Prospect** , 2009

Love Stories Trent Dalton, 2021-11-01 WINNER INDIE BOOK AWARDS 2022 BOOK OF THE YEAR Trent Dalton Australia's best loved writer goes out into the world and asks a simple direct question. Can you please tell me a love story. A blind man yearns to see the face of his wife of thirty years. A divorced mother has a secret love affair with a priest. A geologist discovers a three minute video recorded by his wife before she died. A tree lopper's heart falls in a forest. A working mum contemplates taking photographs of her late husband down from her fridge. A girl writes a last letter to the man she loves most then sets it on fire. A palliative care nurse helps a dying woman converse with the angel at the end of her bed. A renowned 100 year old scientist ponders the one great earthly puzzle he was never able to solve. What is love. Endless stories. Human stories. Love stories. Inspired by a personal moment of profound love and generosity Trent Dalton bestselling author and one of Australia's finest journalists spent two months in 2021 speaking to people from all walks of life asking them one simple and direct question.
