, **Den-ma Locho Rinpoche's Commentary on the Simple Path Leading to the Omniscient State, Graphic Teachings on the Stages of the Path to Enlightenment** Panchen losang chögyan,2022-03-16 No matter how many friends and relative we have and how much they love us when we die either in the hospital or at home although they hold our hands or grasp our feet we can t take them with us We have to proceed completely alone like a hair taken out of the butter Therefore regardless of the size of our entourage and the numbers of servants relatives and friends we may have at the time of death none of them can help We will have to leave behind even our body that we have cherished so much and even our body at the end will deceive us Only the mind with grief and sadness will have to proceed to the bardo We then come to the conclusion that the only thing that matters is our Dharma practice The teaching contained in this booklet was given by Denma Loch Rinpoche at his Dharamsala s residence between July 20 and July 26 2009 at the request of a small group of Italian disciples who travelled purposely to Dharamsala It is a commentary on the Lamrim text composed by Panchen Losang Ch gyan pan chen blo bzang chos rgyan 1567 1662 and called De lam The Simple Path Practical Ethics and Profound Emptiness Jampa Tegchok,2017-04-25 Let a great Tibetan scholar guide you through one of Nagarjuna s masterworks In Practical Ethics and Profound Emptiness Khensur Jampa Tegchok walks us carefully through a classic of Indian Buddhist philosophy explaining the implications of its philosophical arguments and grounding its advice in a recognizable day to day world In Precious Garland the source text for this commentary Nagarjuna advises his patron king on how best to take advantage of human life to secure a happy rebirth in the next life while making progress toward the goal of enlightenment Known primarily for his incisive presentation of emptiness here Nagarjuna shows his wise understanding of how to navigate the intricacies of worldly life to balance everyday needs with spiritual practice Loaded with equal measures of penetrating explanations of the highest reality and inspiring encouragement towards the bodhisattva practices Practical Ethics and Profound Emptiness makes the case for living a thoughtful morally upright life in the world to achieve immediate and ultimate spiritual goals **Freeing Yourself from the Cycle** Geshe Palden Drakpa,2013-01-01 Freeing Yourself from the Cycle is a compilation of Geshe Palden Drakpa s four essays on Buddhist philosophy and practice The first two essays are on Buddhist philosophy and the rest are on Buddhist practice Dependent origination is the foundation of Buddhist philosophy and the theory is relevant to every aspect of existence including that of our own The essays on Buddhist philosophy also include an analysis of what creates sentient beings and the environments in which they live and what protects sentient

beings from different dangers The remaining essays are on Buddhist practices of generating love and compassion for the benefit of others engaging in virtuous practices for the benefit of all and undertaking ritual practices such as offering prostrations and seeking audience of spiritual masters to cleanse oneself of the cognitive and afflictive obscurations These explanatory essays are intended for those who are new to Buddhist philosophy and who may doubt the benefits one can gain from simple practices such as circumambulation offering water lighting lamps
