Trends in the Price of Farm Real Estate in Central Wellington County

(Ontario) Since 1836 Edward C. Gray, Barry E. Prentice, Ontario Agricultural College. School of Agricultural Economics and

Extension Education, 1982 Extract This study presents a brief history and analysis of the trends in the farm real estate market

of central Wellington County Ontario since early settlement days It develops a series of annual market prices from 1853 on

through the collection of sales data from land registry offices of farmland transferred at arm s length To the extent that an

annual price is the mean of 25 sales on average price is a reflection of acreage tillable area and improvement differences

among farm properties sold in that year It is thus a price representative of the locale the organization and the state of

development of farming at the time and the willing buyer willing seller condition
