are approximately 1000 entries of non standard or dialect words past and present. The notes deal with usage pronunciation alternate forms and spellings and stylistic and regional labels. Entries include definitions supportive quotations from P E I sources editorial notes about various subtleties and dictionary notes which provide links to some thirty five other dictionaries. Pratt's introduction defines the criteria for inclusion of words, explains his research methods and outlines the layout of entries. The end matter includes a bibliography and an important sociolinguistic essay *The Dictionary in Profile* which places the work in the broader context of Prince Edward Island speech. Its range and depth of coverage make this an essential work not only for those concerned with P E I and Maritimes studies but for all those interested in the regional usage of English.
