Preaching Mark in Two Voices Brian K. Blount, Gary W. Charles, 2002-01-01. Brian Blount and Gary Charles team up to introduce us anew to Mark's Gospel. Reinterpreting Mark through sermons preached out of very different socio-cultural contexts, Blount draws parallels between Mark's message and the African American church's heritage of slavery and oppression, while Charles wrestles with making the Gospel relevant to well-educated white suburbanites. Each chapter begins with an exegetical study and sermon by one author; then the other preacher responds from his own context, offering a different view of the text.
