

# THE TRIUMPH OF ISRAEL'S RADICAL RIGHT

AMI PEDAHZUR

# The Triumph Of Israels Radical Right

**Bernard Reich, Gershon Kieval**

## **The Triumph Of Israels Radical Right:**

**The Triumph of Israel's Radical Right** Ami Pedahzur,2012-12-06 Two decades ago the idea that a radical right could capture and drive Israeli politics seemed highly improbable While it was a boisterous faction and received heavy media coverage it constituted a fringe element Yet by 2009 Israel s radical right had not only entrenched itself in mainstream Israeli politics it was dictating policy in a wide range of areas The government has essentially caved to the settlers on the West Bank and restrictions on non Jews in Israel have increased in the past few years Members of the radical right have assumed prominent positions in Israel s elite security forces The possibility of a two state solution seems more remote than ever and the emergence of ethnonationalist politician Avigdor Lieberman suggests that its power is increasing Quite simply if we want to understand the seemingly intractable situation in Israel today we need a comprehensive account of the radical right In The Triumph of Israel s Radical Right acclaimed scholar Ami Pedahzur provides an invaluable and authoritative analysis of its ascendance to the heights of Israeli politics After analyzing what exactly they believe in he explains how mainstream Israeli policies like the right of return have served as unexpected foundations for their nativism and authoritarian tendencies He then traces the right s steady rise from the first intifada to the Greater Israel movement that is so prominent today Throughout he focuses on the radical right s institutional networks and how the movement has been able to expand its constituency His closing chapter is grim yet realistic he contends that a two state solution is no longer viable and that the vision of the radical rabbi Meir Kahane who was a fringe figure while alive has triumphed

## **The Generals vs Netanyahu**

Guy Ziv,2024-01-18 Explains the paradox of the Israeli security community s enduring opposition to Benjamin Netanyahu long considered Israel s Mr Security **The Ascendance of Israel's Radical Right** Ehud Sprinzak,1991 The Israeli people were stunned in 1984 when they learned of a barely averted plot to blow up five buses full of Arab passengers and an earlier attempt to blow up the Dome of the Rock the holy Muslim mosque in Jerusalem Even more shocking was the discovery that the terrorists in question were not a bizarre radical sect but members of the Gush Emunim the Block of the Faithful a fundamentalist group committed to establishing Jewish settlements in the West Bank For the first time Israelis had to confront the fact that the rise of the Radical Right and the religious fundamentalism extreme nationalism and aggressive anti Arab sentiment associated with it was becoming a significant part of the nation s public life The first book to examine the origins convictions and political impact of the entire Radical Right The Ascendance of Israel s Radical Right provides extraordinary insights into a political camp whose influence pervades Israeli politics and culture as well as Arab Israeli relations Sprinzak traces the Zionist roots of the Radical Right and its reemergence following the Six Day War and the Camp David accords He examines the increasing control of the Radical Right over the settlements in the West Bank its penetration of more moderate parties such as Likud and the National Religious Party and its reaction to the Intafada and the Persian Gulf Crisis With in depth portraits of the major movements including the Tehiya Tzomet and Moledet parties Gush Emunim and

the late Meir Kahane and his Kach party and various underground or terrorist groups he sheds new light on the people and events which produce such intense fervor and on their political beliefs for instance the views that Arabs should be transferred from the occupied territories and that Israel was founded to establish a safe home for the Jews not to protect the human rights of the Palestinians Sprinzak argues that approximately 20 to 25 percent of Israeli citizens share the convictions of the Radical Right and that it is especially strong among the young Indeed as the message of this camp spreads throughout the country Sprinzak predicts that the Radical Right's impact on Israeli politics and national security will only increase As The Ascendance of Israel's Radical Right shows the Radical Right is not as is often thought a small lunatic fringe but a major school of Israeli Zionism whose ideas are propagated by sophisticated and thoughtful leaders with large public appeal Understanding what the Radical Right has already achieved and how it is currently shaping much of Israel's government agenda is important for every Israeli and Arab as well as anyone who is concerned with the future of the Middle East

*Vladimir Jabotinsky's Russian Years, 1900-1925* Brian J. Horowitz, 2020-05-05 This scholarly biography focuses on the early years of the influential Russian Jewish author and pioneer of Revisionist Zionism In the first decades of the twentieth century Russia was a place of intense social strife and political struggle Vladimir Yevgenyevich Ze'ev Jabotinsky who would go on to become the founder of the Revisionist Zionism Alliance in 1925 was already a Zionist leader and Jewish public intellectual Although previously glossed over these early years were crucial to Jabotinsky's development as a thinker politician and Zionist In this enlightening biography Brian Horowitz focuses on Jabotinsky's commitments to Zionism and Palestine as he embraced radicalism and fought against the suffering brought upon Jews through pogroms poverty and victimization Horowitz also defends Jabotinsky against accusations that he was too ambitious a fascist and a militarist As Horowitz delves into the years that shaped Jabotinsky's social political and cultural orientation an intriguing psychological portrait emerges

**The ^ATriumph of Israel's Radical Right** Ami Pedahzur, 2012-10-15 Two decades ago the idea that a radical right could capture and drive Israeli politics seemed highly improbable While it was a boisterous faction and received heavy media coverage it constituted a fringe element Yet by 2009 Israel's radical right had not only entrenched itself in mainstream Israeli politics it was dictating policy in a wide range of areas The government has essentially caved to the settlers on the West Bank and restrictions on non Jews in Israel have increased in the past few years Members of the radical right have assumed prominent positions in Israel's elite security forces The possibility of a two state solution seems more remote than ever and the emergence of ethnonationalist politician Avigdor Lieberman suggests that its power is increasing Quite simply if we want to understand the seemingly intractable situation in Israel today we need a comprehensive account of the radical right In *The Triumph of Israel's Radical Right* acclaimed scholar Ami Pedahzur provides an invaluable and authoritative analysis of its ascendance to the heights of Israeli politics After analyzing what exactly they believe in he explains how mainstream Israeli policies like the right of return have served as unexpected foundations for their nativism and

authoritarian tendencies He then traces the right's steady rise from the first intifada to the Greater Israel movement that is so prominent today Throughout he focuses on the radical right's institutional networks and how the movement has been able to expand its constituency His closing chapter is grim yet realistic he contends that a two state solution is no longer viable and that the vision of the radical rabbi Meir Kahane who was a fringe figure while alive has triumphed

**Israel at the Polls 2013** Ethan Orkibi, Manfred Gerstenfeld, 2017-10-02 The 2013 elections took place less than two years after the overwhelming wave of social protests of summer 2011 At first the election campaign did not raise much public interest but the emergence of new players and young political forces energized the political race Polls conducted throughout the campaign greatly deviated from the final results which eventually enabled Prime Minister Benjamin Netanyahu to form a cabinet again despite a loss of 11 seats for his list This book describes and analyses a variety of political and sociological developments in Israel both before and after the elections These include the nature of the campaign the developments in the National Camp among religious Zionists the ultra Orthodox parties and the Russian vote Furthermore it assesses the impact of media including new media The variety of subjects makes the book suitable for undergraduate and graduate students in Middle Eastern Israeli and Jewish studies as well as political science and liberal arts in general Israel at the Polls has been updated and published regularly for thirty five years providing readers with up to date analysis and continuity of scholarship This book offers a long term assessment of Israeli politics This book was published as a special issue of Israel Affairs

Disaster Nationalism Richard Seymour, 2024-10-29 The rise of the new far right has left the world grappling with a profound misunderstanding While the spotlight often shines on the actions of charismatic leaders such as Donald Trump and Jair Bolsonaro the true peril lies elsewhere Defeating these people will not stem the tide driving them forward They are merely the embodiment of profound forces that are rarely understood Propelled through the vast networks of social media and fueled by far right influencers enthralled by images of disaster and fantasies of doom they have emerged from a reservoir of societal despair fear and isolation Within this seething cauldron we witness not only the surge of far right political movements but also the sparks of individual and collective violence against perceived enemies from lone wolf killers to terrifying pogroms Should a new fascism emerge it will coalesce from these very elements This is disaster nationalism Richard Seymour delves deep into this alarming development in world politics dissecting its roots its influencers and the threats it poses With meticulous analysis and compelling storytelling Seymour offers a stark warning The battle against disaster nationalism is not just political it is a struggle for our collective soul and the future of civilization itself Unless we understand the deeper forces propelling the far right resurgence we have little chance of stopping it

*The Unmaking of Israel* Gershom Gorenberg, 2011-11-08 Closely argued and conditionally apocalyptic Gorenberg outlines many reasonable steps Israel should take to disentangle religion from the state Jeffrey Goldberg The New York Times Book Review Prominent Israeli journalist Gershom Gorenberg offers a penetrating and provocative look at how the balance of power in Israel has

shifted toward extremism threatening the prospects for peace and democracy as the Israeli Palestinian conflict intensifies Informing his examination using interviews in Israel and the West Bank and with access to previously classified Israeli documents Gorenberg delivers an incisive discussion of the causes and trends of extremism in Israel s government and society Michael Chabon Pulitzer Prize winning author of The Amazing Adventures of Kavalier and Clay writes until I read The Unmaking of Israel I didn t think it could be possible to feel more despairing and then more terribly hopeful about Israel a place that I began at last under the spell of Gershom Gorenberg s lucid and dispassionate yet intensely personal writing to understand At the core of the book lies a terrifying analogy Israel as Pakistan a country whose government has empowered a lawless fanatical religious movement now subverting the very state that empowered it Is the analogy apt today No but Gorenberg makes a frighteningly convincing case that it might be soon Peter Beinart Newsweek Gorenberg provides a deft but penetrating and highly nuanced account of the recent history and current politics of Israel He issues a heartfelt and heart rending plea for the repair of the Jewish democracy The Jewish Journal Sure to raise contention a strong dissenting voice from a burdened land where dissent is not simply tolerated but a way of life Kirkus Reviews **Policy Making in Israel** Ira Sharkansky,1997-08-29 Policy Making in Israel analyzes how the Israeli government has coped with an array of problems in its brief history from war and terrorism attacks to economic unrest and heavy immigration *The Prophets of Israel and Their Place in History to the Close of the Eighth Century*, B. C. William Robertson Smith,1882 **The Land Beyond Promise** Colin Shindler,1995-12-31 Appraise critically the Likud government s rule from 1977 to 1992 and the version of Zionism that is Central to Likud s ideology **The Prophets of Israel and Their Place in History** William Robertson Smith,1895 *Journal of Palestine Studies* ,1994 A quarterly on Palestinian affairs and the Arab Israeli conflict

*Remaking the Middle East* Paul J. White,William S. Logan,1997-04-01 How realistic is peace in the Middle East Certainly there appears to be a reduction in conflict and concrete improvements are clearly visible the Gulf War opened the door to regional realignments that paved the way for the PLO Israel peace agreement which in turn made peace negotiations possible between Israel and Syria Lebanon is rebuilding its cities following a cessation of its civil war Iran has evidenced signs of a rapprochement with the West Yet some analysts predict that these changes are doomed to failure With its longstanding territorial disputes and pronounced ethnic and religious divides will this troubled region ever resolve its conflicts Pessimists further contend that vexed problems such as gender relations and human rights violations remain unaffected by the processes of international political readjustment This provocative and interdisciplinary book tackles these controversial questions from a wide range of perspectives in an effort to unravel the complexities of this exciting area which is the spotlight of tremendous global concern never more so than at the present **Israel's Messenger** ,1926 **Near East Report** Isaiah L. Kenen,1967 **Israeli Politics in the 1990s** Bernard Reich,Gershon Kieval,1991-11-30 What are the key factors that have transformed the Israeli political center and how will they shape Israel s role in the Middle East in

the 1990s Well known experts join the editors Reich and Kieval in giving a unique picture of current and future trends in Israeli politics focusing on the movement of the Israeli body politic to the right of center and the growing hold of Likud They define future prospects taking into account foreign policy economic and demographic issues Academics policymakers and journalists will find this volume indispensable to understanding the critical role that Israel will play in the Middle East in the next decade and how domestic politics in Israel will define that role This survey of political developments by eleven authorities is based on a study of the latest events on long reflection and on two conferences that brought together sixty of the most knowledgeable experts on the Middle East today drawn from the academic world and from various U S government departments and agencies This analysis of political trends assesses Likud's centrality in the governmental system the role of religious and settler movements the linkage of domestic politics to the question of Arab Israeli peace and the future of the West Bank and the Gaza Strip and demographic attitudinal and other factors that affect political leadership and decisionmaking The influx of Jewish immigration to Israel from the Soviet Union is viewed in terms of future implications as well A detailed bibliography is provided     *The Writers Directory* ,1996     **Israel Studies** ,2006     **Brotherhood of Locomotive Engineers' Monthly Journal** ,1924
