Support and Retain Educators of Color Andrea Terrero Gabbadon, 2023-07-20 Support and Retain Educators of Color sets school leaders on the path to creating a culturally diverse environment where all students and teachers can thrive Multiple studies have explored the benefits of teacher diversity and strategies to recruit educators of color but few focus on how to retain them As professional demands on teachers intensify many are leaving the classroom and

educators of color already underrepresented in the field are walking away at higher rates than their white counterparts Research indicates the presence of educators of color benefits all students so we must act now to lessen this financially and culturally costly turnover Andrea Terrero Gabbadon presents six principles to guide school leaders in their efforts to support and retain educators of color Acknowledge that teacher diversity matters Cultivate reflection and self awareness Assess and plan for action Commit to sustainable and high impact instructional supports Foster supportive environments for culturally responsive approaches Lead for an inclusive community Featuring voices from teachers in the field research based strategies and solutions and recommendations for resources to enhance understanding and practice Support and Retain Educators of Color is a vital tool for leadership intent on cultivating an affirming validating and inclusive school environment to serve a diverse population of staff and students

Leverage Leadership 2.0 Paul Bambrick-Santoyo, 2018-07-09 Cut through the mystique to learn the real drivers of great school leadership Leverage Leadership 2.0 answers the basic question what do great school leaders do that separates them from the rest Rooted in the observation and training of over 20 000 school leaders worldwide Leverage Leadership 2.0 offers a practical updated and easier to use follow up to the original with field tested techniques and actionable advice As educational leaders around the world implement Leverage Leadership ideas their collective stories have revealed a simple framework by which the seven levers may be implemented See It Name It Do It This book aligns classic Leverage Leadership principles with this proven framework to streamline implementation and help good leaders become great Expert discussion and real life success stories prove that effective leadership is not about innate charisma charm or personality it s about how a leader uses their time Aimed at all levels of school leadership this book shows you what to do and how and when to do it The companion website includes 30 real world videos that showcase effective leadership happening in our schools right now and all templates tools and other professional development materials have been fully refreshed with a renewed focus on real world implementation Informational inspirational and highly motivational this book explores both the separate components of success and what it looks like as a whole Learn the core principles of effective leadership Understand what success looks like on the ground Practice the seven levers of leadership that allow transformational growth Adopt the tools and techniques that facilitate a schoolwide transformation Educational leaders from a diverse array of schools around the world have found unprecedented success using the key principles detailed in Leverage Leadership and this book is inspired and informed by their stories Leverage Leadership 2.0 is the practical resource school leaders need to start making real change happen today

The SAGE Encyclopedia of Classroom Management W. George Scarlett, 2015-02-24 A teacher s ability to manage the classroom strongly influences the quality of teaching and learning that can be accomplished Among the most pressing concerns for inexperienced teachers is classroom management a concern of equal importance to the general public in light of behavior problems and breakdowns in discipline that grab newspaper headlines But classroom management is not just about problems and what to do when things go wrong and chaos

erupts It s about how to run a classroom so as to elicit the best from even the most courteous group of students An array of skills is needed to produce such a learning environment The SAGE Encyclopedia of Classroom Management raises issues and introduces evidence based real world strategies for creating and maintaining well managed classrooms where learning thrives Students studying to become teachers will need to develop their own classroom management strategies consistent with their own philosophies of teaching and learning It is hoped that this work will help open their eyes to the range of issues and the array of skills they might integrate into their unique teaching styles Key Features 325 signed entries organized in A to Z fashion across two volumes Reader s Guide grouping related entries thematically References Further Readings and Cross References sections Chronology in the back matter Resource Guide in the appendix This encyclopedia is an excellent scholarly source for students who are pursuing a degree or position in the field of education The SAGE Encyclopedia of Classroom Management is an ideal source for all academic and public libraries
