The Ultimate Guide To Reality Based Self Defense:

The Ultimate Guide to Reality-based Self-defense Editors of Black Belt Magazine, 2010 This book explores a wide spectrum of violent situations and teaches you how to effectively assess them and how to act accordingly P 4 of cover

No

Second Chance Mark Hatmaker, 2009-02-01 When violence becomes unavoidable it's best to be informed and this self defense book provides revolutionary information that could mean the difference between life and death in the event of a physical assault Included are drills to increase awareness examples for using the environment as a self defense tool and methods that allow victims to best use their inherent strengths to repel an attack An interesting look at the psychology of an attack exploring the mindset of both attacker and victim and illuminating the dynamic between the two this manual puts the power back into the hands of concerned citizens

No Holds Barred Fighting: the Book of Essential Submissions Mark

Hatmaker, 2009 In this book and for the first time anywhere Mark Hatmaker quantifies fighting offense and defense in a qualitative manner ranking offensive tactics and strategies in descending order of success

Boxer's Bible of

Counterpunching Mark Hatmaker, 2012-10-01 All the tools necessary to build a powerful defensive base for boxing every defense for every punch from every angle are included in this manual Punching prowess has become equated with boxing but what is done in response to that incoming flurry makes a truly good boxer how to make an opponent miss how to easily defend and most importantly how to counterattack Building on that defensive base this book explores natural punching triggers or logical counterpunching sequences that move past the beginner's realm of being a mere puncher into the upper echelons of crafty counter boxing With encyclopedic boxing defensive drills bolstered by numerous illustrative photographs this is a one stop resource for learning the art of counterpunching

MMA Mastery: Ground and Pound Mark

Hatmaker, 2010-09-01 Offering cohesion and clarification for what is currently a loose collection of strategies this reference delves into the ground and pound fighting method winning a fight by striking an opponent after a takedown Demonstrating through fight metrics how just as many matches are won by strikes as submissions this manual addresses the importance of proper grounding and lists an array of riding pinning and transitioning skills Following the first element up by introducing an exhaustive pounding vocabulary this guide is key to making stand up strikers all the more formidable on the floor Guaranteed to improve the game of even the best submission players this handbook ensures tighter defense and enhanced offensive tactics offering a one stop solution for this vital but often overlooked aspect of the mixed martial arts arena

MMA

Mastery: Strike Combinations Mark Hatmaker, 2011-06-01 Covering the essential tactic and art of striking in a series of blows this guide illustrates how today's best mixed martial arts fighters have discovered the devastating effect of punches in bunches or strike combinations a mix that includes fists kicks elbows and knees The importance of striking in multiples of three is emphasized with an explanation of how to stage strikes in order to maximize load and release counterstriking creating angles and straight striking Also included is the tactical role of footwork how to merge defensive and offensive

moves and overcoming the various challenges posed by range Avoiding a common blend of different styles this reference takes the most efficient combinations culled from elite competition and presents them in stair stepped drill sets enabling fighters to utilize the same striking approaches advocated by the best coaches and competitors in the business Drills For Self Defense: A Martial Artist's Guide To Reality Self Defense Training Rory Christensen,2016-12-23 Are you a martial artist who wants to take their self defense training to the next level but you don t know how This book is written for you Even if you train in self defense or combatives already the drills in this book will help you improve the results you get There is 50 cutting edge drills in this book that are guaranteed to take your self defense training to the next level In this book you will learn Why combatives is best for self defense Why traditional martial arts don t work in the street and how to change them so they do How to formulate your own self defense drills How to train properly with focus pads to increase your striking power The best drills to improve your striking skills and defensive skills How to train for multiple attackers Real knife defenses that work How to do live fighting drills so it feels like a real fight Awareness drills And much more This book will show you the right way to train for self defense and how to develop the skills that will make you ready for any situation Don t leave things to chance Train for the real world Want to learn more BUY NOW *Universal Brotherhood* ,1899 **Real World**
