The Fleet ,1926 *How does AI impact the organizational identity in client-focused investment advisory?* Moritz Merklinger,2022-09-12 Seminar paper from the year 2021 in the subject Computer Sciences Artificial Intelligence grade 1 0 University of Passau language English abstract This paper answers the question how AI does impact the organizational identity in client focused investment advisory It is evident that an employee's fundamental work may shift when working with a decision making self learning and intelligent AI It is also conceivable that the employee's own values or work identity may adjust to the AI in some way But what about when you do not just analyze the individual consultant If you look at the broader context and analyze the change in values and identity of the organization as a whole To understand how the values and identity of the individual but more importantly the identity of an organization are affected by the introduction of AI five asset managers from one of Germany's leading cooperative banks are interviewed coded and analyzed Based on research it is shown that while the introduction of AI has a major impact on the way advisors work it has little to almost no impact on the identity of the organization That this may have something to do with the scope of application of AI in the institution and the value stability of the bank will be discussed in more detail later in the paper The study joins the existing research on the topic of AI changing organizational identity *Florists' review* ,1933 *A Commentary on the Holy Bible, by Various Writers* John Roberts Dummelow,1916 **A Commentary on the Holy Bible** John Roberts Dummelow,1909 **International Labour Review** ,1926 **Sleep Research** ,1994 *Hydrology of Virginia: Annual rainfall and stream flow studies with an introduction to statistical methods of analysis* ,1938 *Mathematical Reviews* ,2004
