pandemic spreads across the world readers are taken through the late stage decadence of an exuberant market bubble to the depths of the market crash and into the early innings of a recovery It provides readers with a front row seat on trading activity allowing them to experience the heartbeat of the markets It's also about money and opportunity It's about the moral dilemma of a man who is struggling as he reaches his own peak Readers will experience the frenetic pace of life as a trader and will connect with the protagonist experiencing his struggle to balance his personal values with the compromised values of the world around him It shines a light on the largest policy issues confronting the U.S. while offering an entertaining and humorous look at the guys and gals who are the new market operators This riveting account of the 2020 market crash from inside the mind of a global macro trader will serve as an exciting nail biting record of current times It is about making fortunes while the world slips into misfortune Will he beat the markets or will the markets beat him

Why Nothing Lasts Anymore

Kunal Kapoor, 2025-10-14 Why don't things last anymore Why does the phone you bought last year already feel old while your grandfather's watch still ticks decades later Built to Break uncovers the hidden system of planned obsolescence the deliberate design of products to fail From the lightbulb cartel of the 1920s to today's fast fashion and yearly smartphone upgrades this book reveals how durability was sacrificed for profit and how marketing turned desire into an endless treadmill Through vivid stories of watches furniture gadgets and clothes it explains how consumerism reshaped our psychology drained our finances and left behind mountains of waste More importantly it shows how we can break the cycle choosing quality resisting impulse and rewriting the story of progress Built to Break is both a cultural exposé and a hopeful guide a call to reclaim durability in a world addicted to disposability
