5.5 If you are a fan of the DCI Ryan series then this book really is an absolute must-read. Even if you haven't read this series, it's a great book to start the series off with. It's actually being the prequel, so there is an event that happens in Ryan's past that the author touches on in the series, and this has been something I have been dying to read about. Well, the author did not disappoint.
