Civil Society in an Age of Uncertainty Paul Chaney,Ian Rees Jones,2024-04-09 This book explores how the uncertainties of the 21st century present existential challenges to civil society. These include changing modes of governance through devolution and Brexit, austerity, migration, growing digital divides, issues of mis-trust and democratic confidence, welfare delivery and the COVID 19 pandemic, and the contemporary threat to minority languages and cultures. Presenting original empirical findings, this book brings together core strands of social theory to provide a new way of understanding existential challenges to the form and function of civil society. It highlights pressing social issues and transferable lessons that will inform policy and practice in today's age of uncertainty. [Digital Marketing For B.Com.
