Margaret Sanger, 1932    *The Worry Trick* David A. Carbonell, 2016-02-02 Are you truly in danger or has your brain simply tricked you into thinking you are? In *The Worry Trick*, psychologist and anxiety expert David Carbonell shows how anxiety hijacks the brain and offers effective techniques based in acceptance and commitment therapy (ACT) and cognitive behavioral therapy (CBT) to help readers break the cycle of worry once and for all. Anxiety can often play subtle tricks to convince us of something that is not true. This book helps readers understand this so they can observe anxious feelings with distance and clarity.
