The Good, the Bad and the Healthy Sunna van Kampen,2026-01-01 Good health starts with what we buy Our shopping trolley is a snapshot of our life we pick the same brands we cook our usual recipes and fall into patterns by default These small everyday decisions may seem trivial but they all add up over time In *The Good the Bad and the Healthy* Sunna van Kampen founder of

Tonic Health helps you press pause check the label and make smarter health choices that don't require a lifestyle overhaul. Each chapter focuses on a different aspect of your daily routine from the breakfast foods you eat to the way you wash your clothes. He peels back the marketing veil and reveals what's really in the products you buy and shows you how to choose better. Practical myth busting and refreshingly doable, this book isn't about perfection. It's about recognising the best options, avoiding the worst and finding a balance so healthy becomes easy, one smart swap at a time. **The Executive Function**

Playbook Michael McLeod, 2026-01-15. A practical and contemporary toolkit based on the latest reliable evidence for the parents and professionals helping youth with ADHD navigate the challenges it presents. In *The Executive Function Playbook*, ADHD and Executive Function Specialist Mike McLeod delivers an evidence-based, effective toolkit for parents, teachers, therapists, counselors, principals, directors, and superintendents who work with and care for youth with ADHD. It's a playbook for success that equips you with the knowledge, acceptance, understanding, and info you need to dramatically improve the lives of young people who work every day to manage the challenges and struggles associated with ADHD. The book is filled with real, practical strategies that work in the classroom, at home, in workplaces, and online. It demolishes the myths and pseudoscience served up by social media algorithms and draws on the author's extensive experience living with ADHD and treating youth with this diagnosis, as well as the latest research conducted by reputable academics and practitioners. Inside the book: Candid, accurate discussions about the realities of living with ADHD and how to assist young people with the disorder to capitalize on their strengths and mitigate their weaknesses. Specific, actionable strategies to deal with the most disruptive symptoms of ADHD, including impulsivity, inattention, time management deficits, and more. A comprehensive exploration of the root causes of the executive function deficits caused by ADHD and the techniques you can use to help address them. ADHD is a complex and poorly understood disorder that is difficult to treat effectively. This does not mean that the parents and professionals who are responsible for youth with ADHD are doomed to a lifetime of frustration and futility. *The Executive Function Playbook* contains a powerful and complete collection of tools, strategies, case studies, success stories, and frameworks for significantly improving the lives of young people with ADHD. Readers will benefit from the latest research, information, and best practices as they confront the significant but manageable challenges that ADHD presents.
