Phishing and Countermeasures Markus Jakobsson, Steven Myers, 2007 *Phishing and Counter Measures* discusses how and why phishing is a threat and presents effective countermeasures. Showing you how phishing attacks have been mounting over the years, how to detect and prevent current as well as future attacks, this text focuses on corporations who supply the resources used by attackers. The authors subsequently deliberate on what action the government can take to respond to this situation and compare adequate versus inadequate countermeasures

Web Scalability for Startup Engineers Artur Ejsmont, 2015-07-03 This invaluable roadmap for startup engineers reveals how to successfully handle web application scalability challenges to meet increasing product and traffic demands. *Web Scalability for Startup Engineers* shows engineers working at startups and small companies how to plan and implement a comprehensive scalability strategy. It presents broad and holistic view of infrastructure and architecture of a scalable web application. Successful startups often face the challenge of scalability and the core concepts driving a scalable architecture are language and platform agnostic. The book covers scalability of HTTP based systems, websites, REST APIs, SaaS and mobile application backends, starting with a high level perspective before taking a deep dive into common challenges and issues. This approach builds a holistic view of the problem, helping you see the big picture and then introduces different technologies and best practices for solving the problem at hand. The book is enriched with the author's real world experience and expert advice saving you precious time and effort by learning from others' mistakes and successes. Language agnostic approach addresses universally challenging concepts in Web development: scalability does not require knowledge of a particular language. Fills the gap for engineers in startups and smaller companies who have limited means for getting to the next level in terms of accomplishing scalability. Strategies presented help to decrease time to market and increase the efficiency of web applications

Better Than Friends Jill Shalvis, 2025-01-21 Old flames reignite in Sunrise Cove in this charming enemies to lovers second chance small town forced proximity love story about family friendships and true love from New York Times bestselling author Jill Shalvis. When Olive Porter's off the grid, parents go missing, she reluctantly seeks out Noah Turner, her ex and the only person she both trusts implicitly and not at all. As a special investigative agent for the National Park Service, Noah's used to living under intense pressure. Or he was until he got injured on the job. Now, unhappily recuperating at home while being smothered by his loving but nosy family, he'd love nothing more than a good distraction. So when Olive shows up looking like a million bucks, he has to do a gut and heart check. Because, nope, no matter what he can't fall for her again, the woman who once blew up his entire life and never looked back. How ironic, then, that his own personal hell, Olive, is also his ticket out of town. The question is, will the risk be worth the reward?
