 Settles, Juliana Worrell, 2013-06-10 A book that brings the habits of reading to life Great readers are not made by genetics or  
 destiny but by the habits they build habits that are intentionally built by their teachers The early formal years of education  
 are the key to reversing the reading gap and setting up children for success But K 4 education seems to widen the gap  
 between stronger and weaker readers not close it Today the Common Core further increases the pressure to reach high  
 levels of rigor What can be done This book includes the strategies systems and lessons from the top classrooms that bring the  
 habits of reading to life creating countless quality opportunities for students to take one of the most complex skills we as  
 people can know and to perform it fluently and easily Offers clear teaching strategies for teaching reading to all students no  
 matter what level Includes more than 40 video examples from real classrooms Written by Paul Bambrick Santoyo bestselling
