depression for over six and a half years as I developed into a young adult This molded my life and the person I am today but so much along the journey I felt I was alone and that no one truly understood me I hope that readers can connect with me through my writing and see that there are many challenges we may face in life but that they can be overcome My work is not all dreary and black I tell of love family gratitude and simplicity I also bare my soul and let people see the absolute despair of a child and young woman as she struggles to fi nd herself and the meaning of a life that has so many different pathways offered but no signpost to indicate which direction to take Not all my writing is based on my own experiences but written from my observations of the world and people around me **Their Broken Promise** Rose Vargo,1918 **English**

In the ancient world of the Inner Realm a young slave blacksmith named Aurovin in servitude of an evil empire is chosen by the slave leaders of his people to escape and embark on a perilous journey to find new lands where they can live as a free tribe But Aurovin's journey is greatly hindered by a brewing rift between the great powers of the Inner Realm This rift escalates after king Pavros overlord of the Muldovene Empire barely escapes a botched assassination on his life The Muldovene king sets his eyes on the empire's arch enemy as the primary culprit the Warrior King Sapien and the kingdom of Arencia Aurovin's journey and perils are gradually intertwined into the numerous events and conflicts that will inevitably lead to the Great War During his journey Aurovin encounters several characters such as Belciender and Zaadu two young adventurers from Arencia who are on a mission on behalf of their king to the kingdom of Traccia to unravel a growing conspiracy that may further threatens the sovereignty of the Arencian realm He also meets Janus a burly jester whom Aurovin saves while escaping the clutches of a powerful enemy from a dungeon All four eventually join forces together to battle an evil order bent on attaining absolute power over the Inner Realm Unfortunately as Aurovin makes new friends and acquaintances the young blacksmith makes just as many enemies on his lone quest most notably the handmaster the devious and diabolic master of the order of the Dark Hand who searches for an ancient power that will grant the holder control over the most unstoppable army ever assembled one even more powerful than the empire's These villainous characters such as king Pavros the handmaster along with many others will undoubtedly reshape Aurovin's perspective of the cultures and politics of the Inner Realm beyond the confines of his humble home and people and this forces him to doubt if there really is a better world for his people outside the empire This climatic struggle between good and evil will finally culminate on the battlefield between the armies of the all powerful empire and its allies against the legendary warrior king Sapien and his undefeated Arencian army Aurovin's journey is filled with death betrayal superstition
