**Family Medicine** Michael Kidd,2016-09-19 Containing papers carefully compiled for both their historical importance and contemporary relevance Family Medicine The Classic Papers brings together a team of experts led by global family medicine leaders Michael Kidd Iona Heath and Amanda Howe who explain the importance of each selected paper and how it contributes to international health care current practice and research The papers demonstrate the broad scope of primary health care delivered by family doctors around the world showcasing some of the most important research ever carried out in family medicine and primary care This unique volume will serve as an inspiration to current family doctors and family medicine researchers and educators as well as to doctors in training medical students and emerging researchers in family medicine

**Doctors for Tomorrow** Jannie Hugo,Lucie Allan,2008 The changes taking place within family medicine in South Africa today affect the provision of health care in both public and private sectors

**Anxiety and Depression in Primary Care** Sherina Mohd Sidik,Felicity Goodyear-Smith,2023-12-29 This book provides practical information about depression and anxiety in primary care with a focus on the approach in different countries and incorporating global ranges prevalence risk factors and health burden including that associated with COVID 19 and its pandemic To ensure the challenges of a wide international primary care community are reflected fully authors from different world regions Africa

Asia Pacific East Mediterranean Europe IberoAmericana CIMF North America and South Asia have co contributed to individual chapters on the detection and management of depression and anxiety in primary care in their own countries including the screening tools used how widely these tools are adopted and by whom and current policies As well as the medical model it also presents the alternative viewpoint that feeling low or anxious is part of the human condition and the attention should be on supporting people in their journey through life struggling to deal with the mainly social challenges they meet rather than defining these problems as disorders or diseases requiring identification and treatment Key Features Explores the instruments used for the detection of depression and anxiety in primary care in various countries and why and how these instruments are being used Describes the pharmaceutical and non drug interventions for treating depression and anxiety in primary care and compares the similarities and differences in detecting and managing depression and anxiety in primary care among different countries Includes in depth regional examples of how screening tools are used in practice and how policies can be established in the management of depression and anxiety in primary care Concludes with lessons learned from various countries and from different stakeholders with clear advice on what to do and importantly what not to do

Addressing primary care detection and management of mental health issues across the globe the book will be an invaluable practical aid for family medicine practitioners and the wider primary and community care teams and a useful reference for those involved in policy setting at regional and national levels including ministries of health     *South African Family Practice Manual* South African Academy of Family Practice/Primary Care,199?

Don't Get A SMALL Bang For Your BUCK

Dr Walter O Ochan,2018-05-31 Ever walked out of a doctor s office feeling that you got very little in exchange for your coin Do you want to change that Change a few things Be the patient but start thinking like a doc Learn the Art Science Business and Politics of Medicine Get to know where your diagnosis hides 1 The best hiding place for your diagnosis is in your story the medical history that you tell your doc learn how to tell a good illness story to your doc 2 The diagnosis also hides beyond the flesh outside the flesh get to know how to help doc get a diagnosis wherever it hides Get a BIG Bang for your Health BUCK read this book and get the worth of every coin you spend on a medical consultation     **South African Medical Journal ,1999     South African Family Practice Manual ,198?**

**Essentials for Practice of Medicine in the**

**Frontline** Inyang Ukot,2020-10-30 Essentials for practice of medicine in the frontline is an abridged synthesis of selected topics from family medicine internal medicine pediatrics obstetrics and gynecology pathology and psychiatry also ophthalmology otorhinolaryngology hematology and dermatology Each section covers ten salient and commonly encountered areas of practice by physicians Multiple choice questions and answers accompany each Section The setting of writing is a developing country The contents are relevant to doctors who practice in the medically advanced countries and those in the developing countries Medically the world has become an interesting place Air travel frequent movement and resettlement of people now mean that doctors in developed countries can no longer stay and practice within the clinical conditions that were typical in their practice settings Things have changed as they cannot be certain of what medical conditions that patients from various parts of the world will present to them Doctors also cannot be unequivocal that an emergency in a distant part of the globe may not require their attention This book therefore meets the needs of doctors irrespective of their length of practice or where they practice What applies to doctors certainly applies to medical students This book is an atypical book as it puts in its two volumes of less than 500 pages of 8 5 x 11 per volume material that any doctor anywhere should keep on their office or consulting room bookshelf The e book version is also a veritable companion     **South African Family Practice Manual ,1995     South African Human Sciences Research Networking Directory ,1996     FAMLI ,1990     AIDS/HIV Infection: 1991-1992 ,1991**
