Both casual sellers and established business owners will learn how to use PayPal to Assist customers from accepting credit cards to allowing bank payments. Manage money from getting paid to helping you avoid fraud. Apply reports from assessing inventory to tracking profits. Maximize growth from expanding marketing to increasing sales. PayPal has the tools and this book shares the skills you need to learn, apply and grow your business.

Real World PayPal IPN Paul Croubalian, 2017-05-21 Paypal's Instant Payment Notifications IPN are GREAT Once You Actually Get Them to Work PayPal's IPN will make your life easier. Once you get it working You'll see orders and deposits run automatically. Once you get it working You can connect everything through your back end to make things seamless, automatic and effortless. Once you get it working E Commerce will be a joy. Once you get it working Getting the darned thing to work is another story altogether. I wasted three solid weeks six months apart trying and I have a tech background I spent 3 months invoicing manually. That's not ideal. IPN Documentation isn't the greatest. There are errors and undocumented features to trip you up. Little things like messages of Success that are actually failures or undocumented limits on changes I thought it was me. It wasn't. Until now I couldn't find anything that set out a straight forward, repeatable process let alone one set out in simple English. That's why I decided to write this book. It helps that I'm a ghostwriter who's specialty is demystifying tech. This Tech is in desperate need of demystification. Instant Payment Notification IPN does pretty much what its name implies. IPN notifies you nearly instantly of any actions people make on to or with your account. That's the first gotcha. There are more. I'll save you the headaches, aggravation and Tourette's style outbursts that accompanied me on my journey getting IPN to work for my website myTweetPack.com. I already went through the pain for you. I mapped out the gotchas I paved the way. I'll tell you what works, what doesn't work and what to do about it all. I make it easy on you in Simple English. I even show you how to custom build your own PayPal buttons. You won't be limited to the simplistic stored ones anymore. I even include a link to downloadable sample code. You should be up and running in a day or two. Really stop laughing. I made the experience of getting PayPals IPN to work easy. I also made reading this book easy. It's available in both regular type and a Mobile Optimized larger type. I suggest the Mobile Optimized Edition if you plan to read often on your phone. THIS IS THE REGULAR EDITION. CODE SNIPPETS are available for download on my website. The link is in the book IPN or PDT Payment Data Transfer work the same way. Either or both can be set up using the methods in here. Cheers, Paul.
