Sport After the Covid-19 Time Out* Jörg Krieger, April Henning, Lindsay Parks Pieper, 2022-11-11 In the edited collection *Restart Sport After the Covid 19 Time Out* practitioners and international scholars explore the restart of sport and fitness following the initial period of lockdowns during spring 2020 The chapters provide insight into the sport and fitness landscape following the initial wave of the pandemic The book focuses on challenges for sport providers consequences for sporting participants and opportunities for new ways of practicing sports It contributes contemporaneous data analyses and insights into the global sport landscape that has been impacted by the Covid 19 pandemic This book presents a variety of interdisciplinary perspectives in a total of nineteen individual chapters organized around five main themes The first four chapters deal with the restart of sporting events in four countries This section is followed by an assessment of the Olympic Movement's challenges after its postponement of the 2020 Summer Olympic Games to 2021 Chapters in the next theme provide analyses of how national governments handled restarting sport and fitness in different geographical locations Finally the last three chapters look at the role of the media during the restart phase both in reporting sport and with regards to innovations and the implementation of new technology in staging and broadcasting elite sport

**Gods of the Smoke Machine** Scott Latta, 2025-10-28 A harrowing look at a growing and in many ways unaccountable force in American political life Publishers Weekly We are entering a new era of religion in America For the first time fewer than half the country belongs to a church But within that group growing numbers are consolidating in megachurches which are amassing social and political power in our age of convenience and easy celebrity Megachurch pastors have never been more influential with media empires networks and entire colleges under their control But their churches have also never been more prone to abuse and hurt *Gods of the Smoke Machine* goes inside America's largest churches to uncover the hidden stories of trauma happening within our most powerful Christian institutions and meet the survivors attorneys and advocates fighting for accountability It is a cloaked

world of sex power politics and money but also a human story of pain betrayal and resilience Combining personal storytelling and original reporting author Scott Latta pulls back the curtain on a dangerously insular institution of more than seventeen hundred churches nationwide that is answerable to almost no outside accountability Even those who have never set foot in a church can feel the implications of this societal shift Megachurch pastors were the kingmakers of Donald Trump and drove the rhetoric behind the January 6 attack on the US Capitol For decades they have crafted their own laws even as they fought to influence ours Gods of the Smoke Machine tells a sweeping story of those who commoditized our search for meaning into a machine that preserves privilege profit and power at the cost of those it wounds along the way     **The Month and Catholic**
