

A dense, collage-like promotional image for the Netflix series 'The Decameron'. The scene is filled with numerous characters from the series, all depicted in various states of undress and holding small golden bowls. The characters are arranged in a chaotic, overlapping manner, creating a sense of a crowded and intimate setting. The lighting is dramatic, with strong highlights and shadows. The overall aesthetic is dark and sensuous, reflecting the themes of the medieval story.

The Evolution of Hollywood's Calculated Blockbuster Films Alexander Ross,2023-04-24

In this book Alexander Ross highlights how creative entrepreneurs saved the Hollywood studios in the 1970s by establishing the calculated blockbuster consisting of key replicable markers of success as Hollywood's preeminent business model Ross demonstrates how visionary individuals such as Coppola Spielberg Lucas and Zemeckis helped create the modern calculated blockbuster business model BBM However with the rise of streaming giants and the studios struggling to compete many consumers of entertainment now elect to partake from the comfort of their homes making the difference between cinema and television anachronistic Revisiting the history of those 1970s blockbusters and their ongoing impact on contemporary filmmaking Ross offers distinct analysis on whether the calculated blockbuster can continue to lead or if the streamers will continue to generate their own content and eventually fully control the dissemination process For scholars and students in film pop culture and business along with aspiring filmmakers screenwriters producers and executives the book will be a valued resource

The Media Swirl Carol Vernallis,2023-02-20 From fan generated content on TikTok to music videos the contemporary media landscape is becoming ever more vast spectacular and intense In The Media Swirl Carol Vernallis examines short form audiovisual media Beyonc's Lemonade brief sequences from Baz Luhrmann's The Great Gatsby TikTok challenges YouTube mashups commercials and many other examples to offer ways of understanding digital media She analyzes music videos by Beyonc Lady Gaga Janelle Monae Kendrick Lamar Anderson Paak and others to outline how sound and image enhance each

other and shape a viewer's mood. Responding to today's political media landscape through discussions of Fox News and Presidential inaugurations, Vernallis shows how a media literacy that exceeds newscasts and campaign advertising is central to engaging with the democratic commons. Forays into industry studies, neuroscience, and ethics also inform her readings. By creating our own content and knowing what corporations, the wealthy, and the government do through media, Vernallis contends we can create a more just world.

Handbook of Research on Perspectives on Society and Technology

Addiction Sine Nazlı, Rengim, Sari, Gülsah, 2023-06-19. Internet based technologies prevail in most of the world. Along with the positive features of digital technologies that permeate our lives in almost every area including lifestyles and daily practices, the traces of negative aspects have also become evident. Digital addiction is among the most important of these aspects. It is obvious that communication, which has been maintained in various forms since the beginning of humanity, has been shaped by the period in which it is lived. The technology based transformation has transformed communication, which has been adopted to the internet in the world, into a completely different form. Communication, which has become sustainable at any time and anywhere regardless of location, led by the never ending elements of continuity and interaction, has turned into an indispensable form. *Perspectives on Society and Technology: Addiction* examines every subject of digital addiction in an interdisciplinary way. It discusses the issues about what technology addiction is, how to deal with this addiction, how to use the existing technology in a positive way, how to deal with this technology for disadvantaged groups and concerns in the fields of social science and communication science. Covering topics such as Consumer 5.0, experience design and information markets, this premier reference source is an essential resource for sociologists, policymakers, students and educators of higher education, researchers and academicians.
